A gift of water for Guyra

The Guyra community was gifted 20,000 litres of water on the weekend thanks to Coles. In conjunction with Armidale Regional Council and Guyra CWA Evening Branch they delivered a truck load of bottled water to the town as a gesture of good will.

The delivery to the Showground came together at the last minute after the bushfire emergency almost saw it called off. With very little publicity the word spread and a steady stream of local people arrived to take home some fresh drinking water and also enjoy a free BBQ which was put on by Coles staff. A Coles spokesperson said it was pleasing to see that people took advantage of the donation.

Twenty-two pallets containing 2000 x 10 litre bottles were unloaded and at the end of the day only seven remained. The remaining pallets are now available for collection from Elders and Land-

mark in Guyra.

With little rainfall over recent months, fresh drinking water is quite scarce for rural residents and what tank water remains is often contaminated with dust and also

smoke from recent fires.

Council staff volunteered on the day, assisting with the unloading of the water. CEO Susan Law, Cr Diane Gray, and business manager Scot MacDonald were among

those who gave up their time to help out on the day. There are plans for Coles to bring another truckload of water to Guyra next month.

Australian theme for dance recital

Students from Australian Dance Enterprises (ADE) of New England delighted their parents, friends and the general public at their annual dance recital which was held on Sunday November 17th. The recital, which was held at Lazenby Hall in Armidale, featured 33 students from Guyra and was a tribute to everything Australian, including Aboriginal heritage, the ANZACS, our Flora and Fauna, the Great Barrier Reef and many Australian Icons.

Among the highlights of this year's recital was a presentation to Shanae Wark of her 10 year dedication ADE jacket. Shanae gave a beautiful speech thanking her parents, Miss Colette and all the ADE teachers and staff. She explained how dance has given her the opportu-

nity to form new friendships, given her greater confidence and many opportunities to perform on stage.

Another highlight was a breathtaking duo featuring Savannah Roberts with past student Isaac Clark. Isaac is currently completing his second pre-professional year with the Sydney Dance Company, while Savannah will be leaving for Brisbane next year to pursue her passion and undertake a Diploma of Dance.

Savannah presented a beautiful and emotional farewell speech thanking her parents, including her sisters and grandparents, Miss Colette and all the ADE teachers and staff. She thanked them for all the opportunities that ADE has given her, expressing her gratitude to all involved.

Fire on our doorstep.
In view of the recent bush fires in our area with thousands of acres of land and property losses reported, now is the time to take action.

I urge all landholders and interested persons to write to their local member Mr. Adam Marshall calling for the re-introduction of cold burns during our winter months to control the fuel load on the sides of our roads.

Without taking action we are a ticking time bomb.

Bob Williamson

Thank you St Marys

A big thank you to Sharon and St Mary of the Angels for hosting a BBQ and get together on Thursday night. It was great to see a large roll up of locals to have a chance to discuss the drought, fires and other general events currently affecting our district. Well done to all who contributed to the organisation of the night.

Events like this go to show that with a little support that Guyra will survive these very trying times. Thanks to all concerned

A thank you to our community

We want to say thanks to family, friends, the RFS, neighbours, local fire brigades, helicopter crews, machinery drivers and the people behind the scenes.

You have our heartfelt thanks for your time and effort in combatting the fire on our joint property 'Happy Valley', Whans Rd, Llangothlin and at our home block "Ryan's Farm" Ben Lomond Rd.

We truly appreciated the support and help we received.

Santa's special run this Christmas

Santa has a list and he is checking it twice to make sure that drought affected families are at the top. Santa has a little extra help this year from Drought Aid - Feed A Farmer - Armidale, Guyra, Glen Innes & Nearby Towns who are helping with the "Santa Run".

In the lead up to Christmas Santa will be driving from farm to farm Guyra district delivering gifts to both children and adults. The idea is to make sure families have something under the Christmas tree this year. Santa will deliver gifts on the 22nd, 23rd, 24th December.

Gift donations are in the category of female (mum), male (dad), boy and girl (with boy and girl please nominate age appropriate remembering toddlers and teenagers).

Locally, gifts can be dropped into The Hub at 160 Bradley St Guyra between 10am - 2pm, or to Tarsha Baker at 6 Moredun Street anytime. Donations of new toys and gifts are also being made through Drought Aid - Feed a Farmer. Santa's elves will make sure they are in

Guyra in time for the Santa Run.

Farmers and families can be nominated by sending an email to ttjkbaker2013@gmail.com, phone 0448590925 or placed into mailbox at 6 Moredun st Guyra.

Nominations can be made by families themselves, a friend, a neighbour, an organization or a family member. Information required is name of mum and

dad, children's names and age, contact phone number and address. All information is strictly confidential for Santa only.

Any business or anyone wishing to donate can contact Tarsha Baker and she can pick up (Guyra Area) or Jaclyn Bold at Drought Aid - Feed A Farmer - Armidale, Guyra, Glen Innes & Nearby Towns .

Guyra Sheep & lamb Sale

November 13th - There was a reduced penning this fortnight with 750 lambs and 200 sheep on offer at the Guyra saleyards. The quality of the lambs was generally plain with light weight Merino lambs well supplied. Well finished Crossbred and Dor-

pers were limited in numbers. The usual buyers were in attendance. Demand was strong throughout, with restockers active on light weight young lambs. Processors purchased most of the Merino lambs with little competition from restockers.

Market trends were dearer throughout. Plain condition Merino sheep made up the bulk of the sheep offering. Restockers competed strongly on the ewe portion, while processors were active on both plain condition and well finished sheep carrying

sufficient weight to satisfy requirements. Market trends showed strong gains from the previous sale with the light weights showing the greatest improvement.

Armidale Cattle Sale

November 14th - The numbers continued their upward trend with producers flooding the market in the face of seriously deteriorated conditions. Plain condition light weight young cattle were plentiful along with a few well finished heifers and cows.

For the most part, the offering lacked sufficient condition and weight for processors. The usual buyers were in attendance. Demand for the male portion of the light weight yearling cattle was very strong. Lightly muscled steers sold to dearer trends, while the heifer portion sold firm to slightly cheaper.

Those categories saw price change affected by breed and quality. In some cases, the opportunity to purchase lines of cattle had a positive effect on average prices. The better quality yearling steers to restockers and feeders sold to dearer trends with strong

gains. Yearling heifers to feed sold on a firm to slightly dearer market trend. The well finished heifers suitable to processors remained firm. There were insufficient well finished heavy grown steers and heifers for a quote. Plain quality and condition grown heifers to restockers and feeders saw a firm to cheaper trend.

The good quality feeder heifers were as much as 9c/kg dearer. Plain condition cows attracted competition from both restockers and feedlotters with limited processor activity. The market trend was firm on the better cows and cheaper for the plainest lines. The well finished cows in limited supply saw a firm to slightly cheaper trend also with the quality not as good. Competition was very strong in the bull market resulting in a significantly dearer market trend.

Weekly Wool Sales

November 15th - Indications of a more positive tone this week were evident early. Wednesday's sale opened strongly and by the end of the day all the Merino fleece indicators were reported as 50-65 cents dearer. This left the Northern Region Indicator only a few cents short of a three month high.

A more cautious approach was adopted by buyers on the second day of sales with 5 to 20 cent reductions being applied to Wednesday's gains. This still left the market in handy positive territory for the week and at it third highest weekly close in the past 14 selling weeks.

The resistance to Wednes-

days closing level is becoming obvious with the market hitting that level three times recently only to be pulled back again. 33,584 bales were sold nationally for the week with a passed in rate of 7%.

Major buyers included Techwool, PJ Morris and Fox & Lillie. Next week's national offering has risen to above 40,000 bales with this week's rise in the market drawing out some wool held in stores across the country. Almost 100,000 fewer bales have been offered for auction for the season to date however the past few weeks have seen a rise in the offering compared to the same period last season.

Cricket

After winning all three grades the previous week Guyra had to sit out all three senior games on the weekend. First and second grades had a scheduled bye, and the scheduled third grade game did not go ahead due to the withdrawal of Easts from the competition. All teams will be back in action this weekend with firsts at home to Hillgrove at Ted Mulligan Oval, seconds also at home against Easts at the Sporting Complex, while thirds will make the trip down the hill to take on TAS at Wakefield.

Guyra's junior teams all got a game with the Under 14s getting their third win in a row against CSC Gold. Sent in to bat after losing the toss, Guyra lost some early wickets and were struggling at 3 for 32. Ben Reinke (33) and Rave Brazier (48) fought back with a good partnership before both lost their wicket with the score on 115. Tahmani Landsborough (18 not out) also contributed a good knock with Guyra finishing the day on 5 for 144 at the end of their 25 overs.

Guyra bowled well to dismiss CSC for 101. Wickets went to Brodi Campbell (2 for 6), Harrison Brazier 2 for 14, Rave Brazier (1 for 3) and Cooper Brennan (1 for 8). In the field Cooper Collins and Tahmani Landsborough added to the dismissals with runouts to wrap up the innings and the win for Guyra.

The under 12s have yet to come out on top with three losses and a draw so far this season. In their game against Ex Services played on the weekend Angus Dullaway (25) was the only player to make it to double figures. Guyra were dismissed for 56 runs during the 13th over.

In reply Ex Services got the win off 12.5 overs for the loss of five wickets. Angus Dullaway (1 for 8), Tynan Bull (1 for 3) and Sam Surawski (2 for 3) took wickets. This team has a lot of new players and will improve as the season progresses.

Men's Bowls

There was only one Club Championship game played over the weekend and that was a Handicap Singles game played between Geoff Reeves (+6) and Wayne Reeves (+5), with the Handicap being only one shot the difference it looked as though a long afternoon loomed. This proved to be the case as both traded shots and the lead however Wayne slowly edged ahead and went on to take a victory 33 shots to 20 shots over 28 ends.

This Saturday will see a number of Club Championships contested.

Saturday November 23rd: Start: 1.00pm. Starter and Umpire: David Wilcox.

Club Pairs: Steven Sole and Robert Walls to play Ken Jones and Michael Shiner.

Open Singles: Dan Kennedy to play Barry Walls marker David Wilcox.

John Hamel to play Ian Jacobs marker Roger Cox.

Bowlers please note that there are a number of sheets on the notice board listing upcoming events. One of these is a Come and Try Day whether you are a person that has experienced Bowling or novice come and try. Sunday November 24th start 9.30am.

Also on December 15th the Brian Vickery Ham Day will be held, if you wish to take place in this event then place your name on the sheet provided. Names by 12.00pm for a 12.30pm start. Bowlers are asked to wear a Club shirt if you have one.

Men's Golf

On Sunday a small field played for a club trophy. The winner was Ian Taylor with 37 points and the runner up was Bruce Coppock. The Westpac Rescue Helicopter ambrose that was scheduled for that day will be played at a later date.

Next Sunday will be an 18-hole par for the Captain's trophy. There are still spots available to play Pennants on the 1st of December, contact me or the club if you can play. Bruce's Bash has been put back to the 14th December.

The Albatross

Midweek Golf

We are now in to the fourth round of the Midweek competition and everything is coming together. It is great to see everyone out on the course even if it is extremely dry.

There was only one team this week with six players so Plus Fours get the Bonus points. Beau Orchard and Darren Lennon scored 22 points this week. Next in line with 21 was Bob Burey, Ian Taylor and Steve Kliendienst.

Next week from November 25th to December 1st it will be a double points round. Put in your normal score on cards and we will sort it out. A reminder from bar staff to please pay before playing or when putting your card in.

Middy

Vets Golf

Horrendous winds and the threat of fires kept the numbers down to six last week the 12th November.

A Stroke counting Putts was played with the winner Ian Taylor scoring 90 with the net winner Paul Redden with 77.

It was Paul's day as he also won the putts with 28 and nearest the pin on the 18th.

The only other nearest the pin was Don Campbell on the 7th.

Let's hope this week will see better weather, but does not look likely.
