Anzac Day 2021

Autumn colour provided a spectacular backdrop for this year's Anzac Day commemorations in Guyra. The day commenced with the traditional Dawn Service, followed by a 9am service at the Guyra MPS and then on to the main commemoration march and service at the Soldiers Memorial Hall.

The day brought together young and old from across the community and further afield including member of RAAF 1 Squadron at Amberley who were front and centre at all three services.

The squadron has a special connection with Guyra as the final resting place for two of their flight crew who died in

an F-111 crash in 1993. While in the area, they paid their respects by visiting the crash site memorial at 'Neeworra', and were pleased to see that it is well maintained by property owners Bob and Belinda Williamson.

The commemoration address was delivered by Member for Northern Tablelands Adam Marshall, who reflected on the contribution made by service men and women from the Guyra District and across the New England.

Chris Hietbrink from the Guyra RSL sub branch said that community participation is something that is appreciated by their members, particularly the large turn out of

schoolchildren. They are also grateful for the support provided by the VRA, SES, Police and Ambulance service to ensure the day ran smoothly.

Chris made special mention of Guyra's oldest veteran 104 year old Ted Mulligan for a huge effort to attend the service in the true heroic spirit of ANZAC, as well as 94 year old Ron Vickress who participated in the march.

Special thanks also to Keith Robinson, Wayne Mills, Jamie Mills, Bev and Max Handebo and Gary Starr for their assistance to ensure the smooth running of the day. Donations collected on the day will go toward the RSL Sub branch and will be used for care of veter-

ans and their families.

Following the service there was a great roll up of veterans and their families who attended lunch at the Guyra Bowling Club. Thank you to Donna Kennedy and the Bowling Club for making the veterans welcome.

The Guyra RSL sub-branch is a small group and are always on the lookout for more people to become involved. Their AGM will be held 19th May 10am at Soldiers Memorial Hall and they would welcome anyone who wants to connect with the sub branch.

For more information about getting involved please phone Hans Hietbrink on 0402 044 891.

P R WATTS & CO STOCK AND STATION AGENTS have been servicing the local New England Region since 1982

We are a family owned and operated business that is continually striving to provide the best service & results for our clients.

CBD upgrade enters next stage

The Guyra CBD Upgrade has entered the next stage with work commencing this week on the section between Nincoola and Mackenzie Street. Proposed works involve the excavation and reconstruction of the existing road pavement which is expected to take about four weeks.

Pedestrian and traffic access along Bradley Street will be temporarily affected and will include a 24 hour detour which will be in place for the duration of the work. Footpaths will remain open to facilitate pedestrian access to businesses at all times.

Progress and future plans for the CBD upgrade have been outlined in a report prepared for the the monthly meeting of Armidale Regional Council which is being held in Guyra on Wednesday, April 28th. As well as providing an update on progress, the Project Management Office (PMO)

Stage 2 roadworks underway on Tuesday

is seeking Council's endorsement for the replacement of trees in the CBD.

The PMO has recommended to Council that nine existing trees along Bradley Street

should be removed and replaced with up to 20 established crepe myrtle trees. The trees would be surrounded by a variety of flowering plants and grasses to add colour, interest and symmetry to the main street year round.

Their justification to council is that the current red maples are an unsuitable species and will outgrow their current location. They say that the root balls of the trees are protruding higher than the new curbing and that without root

protection barriers uncontained root growth poses risk of damage to existing and future infrastructure.

Further works in the planning stages are an upgrade the overhead powerlines along Bradley Street, with Essential Energy currently finalising plans.

Strategies are also in place to deliver water main upgrades, future proofing works for future services upgrades, and footpath replacement.

Pride of Workmanship Awards 2021 promoted by the Rotary Club of Guyra

Do you have a great employee? Someone who gives that extra effort to get the job done? Then why not honour your employee with a Pride of Workmanship Award. The Guyra Rotary Club is encouraging the business community to support and participate in the 2021 awards evening.

The concept behind these awards is to help local businesses to publicly recognise their employees who consistently exceed expectations. The employees in our town are the most valuable asset that our business community has. Through their good work, business will prosper and our community will continue to grow.

Rotary encourages employers to recognise and acknowledge an employee who displays outstanding qualities in terms of attitude, dedication and commitment to their jobs – an employee who is contributing to "Helping Guyra Grow".

All nominees will be acknowledged by Rotary at an awards presentation dinner to be held on Friday, May 21st.

Nomination forms are available from Martha Weiderman at the GALA Centre, or by emailing Aileen MacDonald – aileenmacdonald@bigpond.com .

The Power of Play

I am currently reading a book by Pasi Sahlberg and William Doyle called "Let the Children Play (How More Play Will Save Our Schools and Help Children Thrive)".

I freely admit that I have great concerns that, during children's leisure time, their first instinct is to engage with television, computer screens, social media or on-line video games. It is not the way that any of us grew up!

Our fabulous P & F are assisting me with a project I call "the power of play". Although we have always had sports equipment freely available to our students during breaks, we are now investing in toys and equipment that will encourage much more creative play and interaction with other students. This week our sheep and cattle farms arrived although we are still awaiting vehicles and animals. Our children are in farm heaven.

Have your say.....

On behalf of the Guyra RSL sub-Branch, I thank the people of Guyra and district for their attendance and participation in the three ANZAC Day services on Sunday and particularly for their generosity in supporting the work of the RSL.

A special thanks goes to the

school students, their families and teachers for their participation in the march and the service. Thanks also to all those members of the community who in different ways contributed to the services to help make the day a success. As always it was wonderful to see our veterans participating in

the march.

It was disappointing that the scheduled C-130J Super Hercules was not able to do a flyover due to being re-tasked to transport vaccine to PNG.

*Hans Hietbrink
President Guyra RSL
sub-Branch*

Polocrosse Club back in the saddle after two years

Northern Tablelands MP Adam Marshall has helped Guyra Polocrosse Club get back in saddle after a two-year forced hiatus, announcing a \$5,000 State Government grant to purchase new equipment and encourage local participation.

Mr Marshall made the announcement at Bald Blair Recreation Reserve, where the committee successfully hosted the club's first carnival since the drought and easing COVID-19 restrictions, over the weekend.

"It's been a tough few years for the equine community, with the drought hardening arena surfaces making them unsafe and drying up the incomes of those who would normally travel to compete," Mr Marshall said.

"With the positive change in the season it's fantastic to see the resumption of the Guyra Polocrosse Club's carnival at Bald Blair, with the grounds looking the best they have in about five years.

"As a way to assist the club during this rebuilding phase,

Member for Northern Tablelands Adam Marshall, with Guyra Polocrosse Club President Anthony Grills at the polocrosse grounds at Bald Blair.

\$5,000 will be spent buying new equipment including balls, timers, bells, umpire jackets, bibs and the all-important rackets.

"This grant will also help kick-start the club's effort to put money aside for a planned upgrade of its amenities by freeing up funds which would have been spent on the pur-

chase of gear.

"Polocrosse has always played a prominent part in country life and it is really special seeing events back on the calendar and bringing people together."

Guyra Polocrosse Club President Anthony Grills said the grant would provide a much-needed boost to the club after

two years without play.

"Farmers are the backbone of the Guyra Polocrosse Club, all of whom have been greatly impacted by the worst drought in living memory and COVID-19 restrictions," Mr Grills said.

"The funding is very much appreciated at this time, as we have had large outgoing cost over the previous years to maintain our grounds and club house, but minimal income.

"Any funds left over from the equipment buy-up will be put towards helping club members purchase their own gear and cover their memberships.

"By supporting people with the cost of maintaining membership and establishment fees, our committee hopes to put itself on a positive path to rebuilding player numbers.

"We are a very strong, family orientated club, with three generations of some families involved.

"We want to see that tradition and love for the game continue into the future and thank Adam for his support in helping us do so."

Chamber Choir and Country Music star coming our way

Following the success of last week's production of 'Shootin' Sadie', the Australian Poetry Hall of Fame is preparing to host two more events in May.

The Fiori Musicali Chamber Choir will be performing in Guyra on May 22nd, with ARIA award winning singer Fanny Lumsden hitting the stage the following week on May 29th.

The Chamber Choir will return to the concert stage to perform two masterpieces from the pen of the great baroque choral composer, George Frederic Handel.

Accompanied by some of Armidale's finest string players, the 30 strong choir will sing Handel's glorious Coronation Anthem 'Let thy Hand Be Strengthened'. This will be followed by the electrifying five part Vesper psalm Dixit Dominus, which Handel wrote in Italy aged just 21.

Also on the programme is J S Bach's magnificent Eminor flute sonata. Chris Clark will make the music spring to life with a thrilling, quicksilver virtuosity.

Fiori Musicali will be playing at the Australian Poetry Hall of Fame on Saturday the 22nd of May 2021 from 3pm to 5pm. Tickets are available at the door or online www.trybooking.com/BQVIP

Fanny Lumsden is bringing music back to the bush and will stop in at Guyra as part of her 8th Country Halls Tour. Despite having everything cancelled in 2020 due to the pandemic, the Tooma NSW based artist's 3rd album 'Fallow' managed to take out the ARIA Country Album of the Year and five Golden Guitar awards including Album of the Year and Female Artist of the year.

'After a year off the road, we

Fanny Lumsden

are just so excited to bring the halls to life once more and get out and see people again and share songs and stories in the bush," Fanny said. "The Country Halls Tour is my favourite

way to tour and see the country and we have a ripper show planned!"

The Country Halls tour is all about raising money and a good time for halls and community groups all over Australia. This year they are heading to communities affected by floods, fires and drought and encouraging people to come for a road trip to a hall, stay the night, buy fuel and a loaf of bread at the local servo and help support these communities get back on their feet.

Fanny Lumsden and her Country Halls Tour will perform at the Australian Poetry Hall of Fame on Saturday May 29th. This show is a fundraiser for an adult literacy program to be run in Guyra. Tickets available at www.fannylumsden.net/country-halls-tour.

Below: Mitch Bennett, Will Nichols, Lock Rogers, Darren Harcoan

Photos by Donna Davidson

On the weekend of the 10th and 11th April, Lockyer Rogers generously hosted the Australian Utility Stock Dog Society Inc. 'Challenge' at his property, 'Stratton'. As well as letting the Society use his grounds, he also kindly provided all livestock required for the weekend.

Lock Rogers being a tremendous stockman himself for many years, has always worked stock with dogs and wouldn't have it any other way. His love and passion for animals is an understatement. Competitors came from near and far, even a shaggy Smithfield called Wombat came to compete.

The AUSDS challenge held at Stratton was split into two levels, each consisting of three sections – paddock sheep, yards sheep, and arena cattle.

The Society encourages all competitors to attempt all obstacles and points are awarded once completed. The challenge is designed to test all aspects of practical working situations.

In Level 1 the AUSDS received 27 nominations. The place getters for Level 1 were: 1st Chris Egan, Millthorpe, with Anntre Ray, 2nd Grace Halsted, Bulga, with Karana Emma IV, 3rd Jeremy Grills, Armidale, with Tammy

In Level 2 the AUSDS received a total of 14 nominations. The place getters were:

1st Darren Harcoan, Yeoval, with Culgoa Deb, 2nd Will Nichols, Walcha, with Graham, 3rd Mitch Bennett, Guyra, with Bendit Charlie

Mitch Bennett, manager of Stratton, who organised all the setup for the weekend including helpers, local and away, spent hours in the background making the weekend flow.

The Society being ever grateful in the effort of the three judges who gave their time and expertise over the two days, John Rosten, Jeff Ritchie and Ian Berry. These three gentlemen have surrounded themselves with stock dogs all their lives. Their passion and experience made them very suitable judges.

A challenge like this is not possible without our following

sponsors:

Altitude Angus,
Wandsworth, Trent Jones Contracting, Guyra, Guyra District Veterinary Services, Bellaine Merinos, Guyra, Mofatt Ground Spreading, Guyra, Ramage Engineering, Guyra, Taurus Fine Meats, Seymour, GrazAg, Guyra, Elders Yea, JoeyCan (Aust.) P/L, Ridley's Dog Food, Guyra, Paige's Working Dog and Pet Supplies
Spectators, staff and competitors' stomachs were kept full with thanks to the Grill Monkeys, also the warming beverages from Bean Traveling, Chris Yorke and his crew.

The AUSDS 'Challenge' is not all about winning, but learning and building a high calibre working stock dog.

Mayor visits respected veteran Ted Mulligan

Mayor Ian Tiley caught up with one of the region's most respected veterans, Ted Mulligan, ahead of ANZAC Day.

The 104 year old Guyra local reflected on his long life, telling Mayor Tiley all about his love of cricket, his dedication to his family, and memories of the war.

A big passion of Ted's is horses - his love stemming from his childhood where he grew up on a property west of Guyra. Each day, Ted would ride his horse to school and back, and would regularly ride around his family's property.

After turning down a promising career as a professional cricketer, Ted joined the army - he joined the 12th Light Horse Regiment in 1938 at 20 years of age.

Lest we forget.

Bradley Street roadworks

Armidale Regional Council has engaged Stabilcorp to undertake road rehabilitation works on Bradley Street, Guyra. Proposed works involve the excavation and reconstruction of the existing road pavement in Bradley Street between Mackenzie Street and Nincoola Street.

Works commenced on Monday 26 April, 2021 and a full road closure will be in place for approximately three weeks, dependent on weather and site conditions. A temporary 24-hour traffic detour will be in place for the duration of the work.

Footpaths on both sides of Bradley Street will remain open to facilitate pedestrian access to businesses at all times.

This \$450,000 project is Stage Two of Guyra's main street upgrade and has been jointly funded by the NSW Roads to Recovery Program and merger funding.

COUNCIL MEETINGS

The next Ordinary Council Meeting will be held on Wednesday 26 May 2021 at the Armidale Council Chambers, 135 Rusden from 4pm. Please see Council's website if you would like to register to attend.

Local Government elections

If you're interested in running as a candidate in the upcoming Local Government election on September 4 2021, don't forget to register for one of the NSW Electoral Commission's online candidate information sessions.

For a full list of session dates and times or to register, visit www.elections.nsw.gov.au.

For more information on Armidale Regional Council's elections, visit the 2021 Council Elections page on Council's website.

Community Connectivity Assistance Grants

The Community Connectivity Assistance Grants aim to provide financial assistance to purchase equipment, implement programs that increase communication capabilities, and facilitate and encourage communication between groups and organisations. Community groups or organisations can apply for up to \$2400. Applications close Sunday 2 May 2021.

The grant aims to

- provide local not-for-profit community groups financial assistance to purchase equipment and/or implement programs that increase their communication capabilities. Examples of what may be considered include computers, audio visual equipment, satellite phones, UHF radios, etc.

e-NEWS

Want to know what's going on?

Join over 4000 of your fellow community members and subscribe to our e-newsletter. Visit our website to subscribe and keep up to date with all the latest news.

- Facilitate and encourage communication between groups and organisations within the Armidale Regional Council Local Government Area.
- Support and or contribute towards the goals outlined in Council's Community Strategic Plan.
- Provide seed-funding for communications programs which have specific and long-lasting benefits to the Armidale region LGA community.
- Foster access opportunities to all community groups.
- Preference will be given to groups who service fire effected communities

The Community Connectivity is funded by the Federal Government's Bushfire Recovery Funding. For more information and to apply visit Council's website.

Guyra Sheep & Lamb Sale

Report for 21-4-2021 unavailable

Armidale Cattle Sale

April 22 - Numbers doubled with an influx of heavy weight feeder steers and a good supply of cows. There were limited supplies of vealers and weaners, with yearlings well supplied. The quality of the offering was generally good with condition forward to well finished. There was increased processor competition, with feedlot activity high. Restockers were also active throughout.

Strong restocker competition resulted in the weaners selling to dearer trends. A limited supply of medium weight yearling steers sold to dearer trends also. Heavy weight yearling feeder steers up to 500kg, saw a firm to dearer market trend, where breed and quality had some effect on price change. Yearling heifers to feed sold to cheaper trends with the well finished heavy weights most

affected. Restockers were active on the medium weights as both backgrounders and future breeders.

There was an increased supply of heavy steers over 500kg, including some milk teeth lots. The highly sought breeds of good quality sold to dearer trends, while the lesser quality and non specialist breeds saw prices cheaper.

Well finished grown heifers to process saw varying trends with most cheaper. Odd improved quality heifers were dearer. There was a very good quality penning of heavy weight cows. The market showed little change. Restockers were active on the plainer condition cows pushing some prices to levels higher than the finished lots. Little change in the bull market.

Weekly Wool Sales

April 23 - A smaller national offering and a stable exchange rate helped prompt a turnaround in sentiment. Last week's losses in the 19 micron and broader types were recovered by the close of the first day of sales.

Once again the 18 micron and finer types outperformed the rest of the market with the appetite from the trade on the better style lots within the finer micron range appearing large. Whilst the market was relatively unchanged on the final selling day there was some downward movement in the 20-22 micron categories.

The 18 micron indicator closed the week at a 13 month high and

has now gained 65% since last September's low. The 20 micron indicator is up a healthy (but not as impressive) 46% over the same period. 36,094 bales were sold nationally for the week with a pass in rate of 10.7%.

Major buyers included Techwool, PJ Morris & Lempriere. The rise in the market has drawn more wool out of holding sales and inflated next week's expected national offering to almost 51,000 bales. This is more than double the corresponding sale last season and continues the trend of higher national weekly offerings for the season to date.

Long-term permits now available for TSRs

Land managers across the Northern Tablelands Local Land Services region have been invited to apply for long-term access to a number of Travelling Stock Reserves (TSRs).

Helen Ward, from the Northern Tablelands Local Land Services TSR team, said producers can now submit an application for a Management Agreement Permit, which will provide them with certainty of TSR access for years to come.

"Everybody benefits from a viable, well-maintained and connected TSR network, and these permits help deliver that," Helen said.

"The permits will give confidence to livestock producers to make long-term business decisions and allow them to also play a key role in securing the future productivity of our local TSRs."

While a number of carefully assessed TSRs in the region will be available for Management Agreement Permits, most TSRs remain available by application for short-term access permits such as walking stock.

Under measures introduced in 2020 by Local Land Services, Management Agreement Permits across NSW are now standardised, and the process of assessing applications is more robust.

Successful applicants are selected using comprehensive criteria, which ensures the region's TSR network is looked after properly.

"TSRs have a storied history in NSW and they are not only important for agricultural productivity, but they also play a crucial role in supporting threatened species and habitats," Helen said.

"Whether it's proposed grazing practices, experience, or how pests and weeds will be managed, we need to make sure applicants can effectively manage a TSR, so our industries, and the communities they support, can prosper."

Anyone considering submitting an application should read and understand the TSR State-wide Plan of Management and the Best Environmental Management Practice Toolkit for TSRs, which are both available on the Local Land Services website: <https://www.lls.nsw.gov.au/>.

Guyra Film Society welcomes new members

Guyra Film Society is holding their AGM at the Australian Poetry Hall of Fame, 144 Bradley St, Guyra on Thursday 29th of April at 6:30pm. This will be followed by a showing of "The Five Obstructions" on the big screen.

New members are welcome to attend and if it is your first time to see a Guyra Film Society Film then it's just a gold coin donation. Membership of the Guyra Film Society allows you to see twelve films per year and also entry to any extra film showings.

It is with great pleasure that we announce the documentary screening for Guyra film society - Danish filmmaker Lars Von Trier's witty explo-

ration of the creative process: The Five Obstructions. Using the concept of "obstructions" he sets progressively more difficult challenges for his childhood hero to remake a classic short film in different ways.

In addition, we will start the evening with a short ballot to elect office bearers for next year. This committee will - like last year - coordinate the choice of films for next year's season and also drive new member acquisition as the season is promoted over coming months.

See you all at 6:30 on Thursday.

James Warren
GFS President

Gazette's Celebrity Footy Tipping

Georgie and Harry had the top score of 12 points for the Celebrities, bringing Harry to the top of the Leaderboard on 82 points.

The rest of the Celebrities all scored 10 points - except Cody who must have had a lapse in concentration, managing only 2 winners.

Soley is in 2nd place on 78 points, Georgie is on 76; Sue, Cody and the Gazette are on 74, leaving Vu and B&L

trailing the field on 66 points.

In the Locals, Nightwatchman slipped a bit allowing The Red V to catch up, both now leading on 82 points.

Smooch had the highest score of 14, which brought him from 6th to equal 3rd place with 4Nonga.

In 2nd place are Eel-be-Right, Red Devils and The Star on 78 points with the field well spread. Farmer Joe has now wandered off into the potato paddock.

Men's Bowls

Saturday April 24th saw two games played:

In Major Singles: David Wilcox played John McIlwain, this was a very tight game early and it wasn't until end 21 that any gain was made by either bowler, that was John who gradually opened a lead and was leading 24 shots to 14 shots by end 24 this lead he never relinquished and went on to take the victory 32 shots to 17 shots over 30 ends.

The other game played was a Minor Singles game played between Barry Campbell and Mick Rusden. Barry led from the start and showed his experience to extend his lead after 10 ends and then on he was never threatened and went on to take the win 31 shots to 10 shots over 22 ends.

Sunday April 25th saw a number of games played:

In Major Singles: Robert Moore played Andrew Sparke, in this game Andrew was unable to show the consistency that he showed last season and was always chasing as Roberts form continued and as a result managed to take the victory 31 shots to 21 shots over 29 ends.

In Club Pairs: Mallie Walls and Logan Beechey played Col Stanley and Corby Kliendienst. This encounter was a game of two halves. Col and Corby skipped away to an early lead but Mallie and

Logan were not done and made a spirited comeback but the lead was too great the horse had bolted. Col and Corby went on to take the win 24 shots to 15 shots over 20 ends.

In Major/Minor Pairs: Steven Sole and Robert Walls played Barry Presnell and Michael Jackson. Steven and Robert proved to consistent for Barry and Michael and went on to take the win 38 shots to 14 shots over 25 ends.

Club Championship games set down for this weekend:

Saturday May 1st: Start: 12.00pm: Starter and Umpire: John Jackson.

Club Pairs: Col Stanley and Corby Kliendienst to play Cameron Peardon and Murray Bourke.

Open Singles: John Jackson to play Andrew Sparke marker David Wilcox.

Handicap Singles: Robert Goodchild to play Barry Presnell marker Wayne Reeves.

Bowlers are reminded that there will be a General Meeting of Bowlers on May 2nd to discuss the unification of Women's Bowls NSW and Bowls NSW. The meeting will start 10.00am so interested Bowlers please come and hear what the unification will mean.

The Bowls Bandit

Ladies' Golf

Last week 14 Guyra Lady Golfers travelled to Glen Innes to play in the annual NEDGA Tournament.

The first two days were played in difficult weather conditions with cold, strong winds.

The third day turned up some beautiful calm and warmer conditions.

Wendy Jackson won Runner up Nett in Division 3 and Pip White and Jenni Jackson both won Nearest the Pin Shots on the final day with superb shots.

This week the ladies are playing a Stroke and Putting Competition.

Next week is a Par Medal with Wendy Jackson as the starter.

Birdie

Vets Golf

Ten Vets competed in a Four Ball Stableford last Tuesday. The winners with 43 points were Terry Varley and Jim Betts with the runners up Col Walls and Don Campbell with 41.

Nearest the pins went to Dave Bearup on the 7th, Terry Varley the 10th and Chris Newberry on the 18th.

The last Pennants game for this year is coming up in a couple of weeks so put your name in and let's make it a win this year.

A Vet

Track and field star

Brooke Newberry has just completed at the Australian Track & field championships in Sydney, where she represented NSW. She competed in the U15 3000m race walk in which she placed 13th
