Tenterden Hall is the latest community facility to receive State Government COVID-19 support to install a new toilet block, with Northern Tablelands MP Adam Marshall, left, and hall committee members Robert Martin, Leanne Martin and Mick Mayled taking a look around the historic grounds.

New amenities block for Tenterden Hall

TENTERDEN Hall is the latest community facility to receive State Government COVID-19 support to improve its facilities and stimulate the local economy, with Northern Tablelands MP Adam Marshall today announcing a \$40,830 grant to install a new toilet block.

"This grant is a huge win for the Tenterden Hall committee members and the local district, providing the money for a much-needed new toilet block," Mr Marshall said.

"Funds will be spent installing a new accessible toilet block, with men's and women's amenities, attached to the rear of the hall.

"The prefabricated building will be delivered to the hall, before being plumbed into the septic system.

"The new amenities will improve the hall's functionality and make it a more attractive venue for locals to hire out for parties, weddings and rural landholder forums.

"While the old tennis courts

and outbuildings have seen better days, you can really tell the love and hard work the committee continues to put in to keep the hall functional and accessible to users.

"There is so much to celebrate at the moment with the district around Tenterden and Guyra experiencing a bumper agricultural season.

"These improvements will ensure Tenterden continues to have a local space where the community can safely and comfortably congregate to-

gether.

"Constructed in 1925, the hall committee is keen to see some major improvements undertaken before the centenary celebrations and this is a great way to kick off those works."

The Crown Land Manager COVID-19 Recovery Support Program is providing \$4.1 million in grants statewide to help Crown land managers recover from the pandemic by funding asset improvements and work, health and safety plans on reserves.

Census

It's time to complete your Census.

This year, you can start as soon as you receive instructions, if you know where you'll be on **Census night – Tuesday 10 August**.

Complete online, by paper or with help from us.

Every stat tells a story.

Scan or visit
census.abs.gov.au

Authorised by the Australian Bureau of Statistics, Canberra.

Check your letterbox for Census instructions

The Australian Bureau of Statistics (ABS) has started sending instructions on how to complete the Census to more than 10 million Australian households ahead of the Census on Tuesday August 10.

Around 85 per cent of all households in Australia will receive a letter that explains how to complete online or how to order a paper form.

Some households will receive a paper form and a reply-paid

envelope for its return. There are instructions on the paper form if they prefer to complete it online.

Andrew Henderson, Census Executive Director and National Spokesperson said to check your letterbox.

"We're encouraging people to complete their Census, as soon as they receive their instructions, if they know where they will be on Tuesday August 10.

"This means you don't have

to wait and complete on a single night. We know this flexibility will make it more convenient for people to complete.

"People will be able to complete the Census online, on their mobile device or on paper. We're also making it as easy as possible for everyone to participate in the Census with a range of support and assistance available."

ABS expects around 75 per

cent of forms to be completed online this year, compared to 63 per cent in 2016. It will take the average household 30 minutes to complete the Census.

The 2021 Census campaign message is that 'Every stat tells a story' highlighting how Census data is used to guide services for individuals, families and communities.

For more information, visit www.census.abs.gov.au.

Bush Fire Danger Period starts early across region

Six Local Government Areas (LGAs) in the New England and Northern Tablelands areas will commence the Bush Fire Danger Period (BFDP) early, due to prevailing local conditions.

NSW Rural Fire Service (NSW RFS) Superintendent Chris Wallbridge said the six LGAs that will enter the BFDP from 1 August 2021 are Armidale Regional, Walcha, Uralla,

Glen Innes Severn, Inverell and Tenterfield.

"During the Bush Fire Danger Period, landowners and managers are required to obtain a Fire Permit from their local Fire Control Centre before lighting any fires, including hazard reduction burns," Supt Wallbridge said.

"I strongly urge people to exercise extreme caution when carrying out these activities as

we have all seen the devastation that bush fires can inflict on a community.

"Never leave a fire unattended and if a fire does escape, it is essential to call Triple Zero (000) immediately so that emergency services can respond and minimise the damage."

Fire Permit holders are required to let fire authorities and their neighbours know at

least 24 hours before lighting up. You can notify your intention to burn by visiting www.rfs.nsw.gov.au/notify or for Northern Tablelands residents phoning 1300 141 119.

Information about hazard reduction burning, required notifications and obtaining fire permits is available on the NSW RFS website at www.rfs.nsw.gov.au/BFDP.

Application for Appointment of Board Members

Ben Lomond War Memorial Hall Land Manager

Ever wondered who is responsible for keeping Crown reserves operating?

Countless facilities like showgrounds, local halls and parks are run by Statutory Land Manager Boards, made up of people just like you. People who understand the need and have a desire to manage public land and assets for the benefit of the entire community.

Your role as a Board Member is voluntary, but the rewards of giving something back to the community are priceless.

We are looking for a good mix of people with a variety of skills, however, sound business and financial management skills and objective decision-making expertise would be a distinct advantage.

Don't let this opportunity to do something for yourself and your community pass you by - contact us today.

The Ben Lomond War Memorial Hall Land Manager manages the Reserve No. 79468 at Ben Lomond notified on 29-Mar-1957 for War Memorial (Hall Site). The term of appointment will be for a period not exceeding 5 years.

Application for membership can be made via portal.crownland.nsw.gov.au

All applications are required to be lodged by **1 September 2021**.

For further information contact Jennifer Lee on (02) 6770 3110 or go to reservemanager.crownland.nsw.gov.au

St Marys athletics carnival

You don't have to be the best but it is important to be your best! Congratulations to all of our students for demonstrating positive school spirit and enthusiasm at our Athletics Carnival last Tuesday. The weather was absolutely perfect for a day of activity in the sun! We kicked off with the 100m age races with students demonstrating their sprinting and fast running talents. Students then rotated through the field events including Shot Put, Discus, High

Jump and Long Jump.

A big congratulations to all of our Age Champions and Runners Up:

Minor Boy Champion - Hugo Sisson, Minor Boy Runner Up - Rylan Wilson,

Minor Girl Champion - Millie Neill, Minor Girl Runner Up - Emmy Hodgens & Jayde Cox,

Junior Boy Champion - Archie Foster, Junior Boy Runner Up - Darcy Sisson,

Junior Girl Champion - Olive McFarlane, Junior Girl Runner

Up - Scarlett Newberry,

11 Year Boy Champion - Edward Grills, 11 Year Boy Runner Up - Henry Cox

11 Year Girl Champion - Alana Marshall, 11 Year Girl Runner Up - Sophie Spradbrow & Mackenzie Ellem,

Senior Boy Champion - Nayte Foster, Senior Boy Runner Up - Mavric Foster,

Senior Girl Champion - Lily McFarlane & Amber Writer, Senior Girl Runner Up - Tessa Jackson.

Science in the classroom

In Science, Guyra Central School's Stage 1 students have been looking at different materials, and how they change. They made playdough in all different colours and then wrote a procedure on 'How to make playdough'. Using the playdough, they then looked at what happens when you stretch, roll, twist, bend, pinch and fold it. Their favourite part was when they got to use a little bit of each coloured playdough and make their own character. They showed the class their characters and made up a story about who it is, where it came from

and why it came to visit Stage 1.

Also this term, Stage 1 has been learning about procedures and fractions. They all listened to instructions on 'How to make Fairy Bread' and when the fairy bread was completed, used their

knowledge of fractions to cut their bread into halves and then into quarters. They then drew and wrote down the steps using verbs to explain what to do. Their favourite part was eating it.

Above: Zachary Fereday, Jacob Jones and Hugh Kliendienst modelling with playdough

Left: Vaya Sheldrick and Elsie Post enjoyed learning fractions and eating the results

Free calls from public payphones

Australians will be able to make free calls from public payphones across the country under a new Telstra initiative.

Standard national calls and SMS from Telstra's network of more than 15,000 payphones will be made free from Tuesday August 3, while payphones will become completely coinless from October 1.

Consumers will still have to pay for overseas calls. About 11 million calls were made across Telstra payphones in the past year, including 230,000 calls to critical services such as triple zero and Lifeline.

Telstra has previously made national calls on its payphones free over the Christmas and New Year period, making it easier for the homeless to contact others.

Odd fleeces wanted by local spinner

With shearing underway across the region, local spinner Louise Pearson has put out a call for anyone who has something a little out of the ordinary. Louise wants to hear from anyone who has an odd breed in the back yard or back paddock – Romney, Shetland, Corriedale, Suffolk or others. She is looking for fleeces to blend with the merino and alpaca fleeces that are more readily available.

Louise creates garments and works of art using natural and sustainable fibres such as wool. Starting with the shorn fleece, she scours, cards, combs and spins it into yarn. Her creations are for sale at 'Our Little Gallery' at 140 Bradley St, which she operates with her sister Sarah Hunt

If you have something you

Louise Pearson is on the lookout for fleeces

think fits the bill, call into the gallery and see Sarah or John Hunt or contact them on 0478 170 862 or via facebook. You

will also find them at the Saturday morning markets at the Australian Poetry Hall of Fame.

New Amenities for Wandsworth and Tenterden Halls

Tenterden and Wandsworth halls are the latest community facilities in the Guyra area to receive State Government COVID-19 support to install new amenities.

At Tenterden, \$40,830 will be spent installing a new prefab toilet block with men's and women's toilets, at the rear of the hall.

Constructed in 1925, the hall committee is keen to see some major improvements undertaken before the centenary celebrations and this is a great way to kick off those works.

Just up the road at Wandsworth Hall, a \$34,155 grant will also install a new toilet block.

Funds will be spent demolishing the existing amenities, before a new accessible toilet is constructed in its place.

In 2019, the Wandsworth and Llangothlin bushfire burnt out more than 7,000 hectares.

Events like that highlight the need for the

area to have a safe and accessible public space where locals, of all level of mobility, can gather in the event of a disaster.

The new amenities will improve both hall's functionality and make them a more attractive venue for locals to hire out for parties, weddings and rural landholder forums.

These improvements will ensure Tenterden and Wandsworth residents continue to have a local space where the community can safely and comfortably congregate together.

Guyra Historical Society technology grant

Hundreds of priceless historical items from Guyra's past are being preserved in the newly upgraded museum, and I was pleased to announce last month a \$5,636 State Government grant to purchase a new computer and remote close-circuit-television (CCTV) equipment to complete that project.

Since 2018, \$120,346 in NSW Government funding has been provided to

upgrade the 113 year old original council chambers building on Bradley Street.

These works have included internal and external painting, installation of new flooring, side and back doors, display cases, security system, ultraviolet protection film on all windows, and hanging tracks.

In order to maximise use of this technology a new monitor will be installed in the office and research room, along with an internet connection to allow remote viewing of the network when the alarm is triggered.

This will remove the need for volunteers to attend the museum at night when the system is activated by movement.

I was very pleased to be able to help secure this extra money at the request of the society members, and hope the new technology assists with the preservation of Guyra's heritage.

Nominations open for Australia Day awards

Do you know someone who deserves to be recognised for their selfless dedication to the community? Why not nominate them for an Australia Day award?

Nominations open until 25 November 2021.

Visit the Australia Day page on our website to fill out a nomination form or drop into one of our offices to pick up a hard copy form.

Have your say

Keep up to date with what is on public exhibition and have your say on the major issues affecting the region.

yoursay.armidale.nsw.gov.au

Is your wood heater burning effectively?

Help us all breathe a little easier by following these tips.

- Only burn dry, aged, hardwood.
- Regularly clean out flues.
- Do not let fires smoulder overnight.
- Store wood in a dry, weatherproof place.

Visit the Smoke and Woodheaters page on our website for more.

Can you write a story in just six words?

Enter the Six of the Best short story competition today!

Armidale Regional Libraries is running the annual Six of the Best short story competition for the region's wordsmiths, with entries now open until October 4 2021.

Entries must be exactly six words - no more, no less.

To enter or to find out more information, search our website.

Under 9s wrap up the year with good win over Moree

In Junior Rugby League the Super Spuds travelled to Moree on what was a polar opposite in weather conditions to a week ago, being a comfortable 20 plus degrees. In the final round of the season the under 9s played in what was undoubtedly their biggest and hardest game of the year, against a very physical and talented Moree side.

Moree scored two quick tries to put the score at 10 – 0. Guyra responded with solid runs from all over the field matching Moree with a very solid try from Flynn McFarlane in what was the first of six tries for Flynn. All the boys played their hearts out. Seth Patterson's individual try was also a standout, managing to evade and out class the whole Moree side.

Guyra came away with a win 30 - 24. After a very strong season, it was a gutsy effort by the whole under 9s

team with each and every player playing their best game yet and I couldn't have been more happier and

prouder of their performance.

What a great year!
Todd Clark (Coach)

League Tag Gala Day

On Wednesday June 23, a group of 13 students in years 7-10 at Guyra Central School came together and made an open's team to travel to Inverell and compete in a League Tag Gala day against Glen Innes, Macintyre and Tenter-

field High Schools.

A shaky first game playing Tenterfield, the game ending in a 4-2 score, Tenterfield way. After discussing and thinking how to improve they played against Macintyre high. With the help of communication and coming together as a team, we finished the game with a 5-2 lead. At the end of the day we had a friendly game against

Glen Innes. While the fun is all around, Glen takes a 3-1 win.

It was a great day of sport and the girls are looking forward to playing some more footy. Congratulations to Tahli Smith who was nominated "Players Player". Thanks also to Eunice Blair and Mrs Ryan for organising the day.

Senior Soccer

In Open Division 2 Guyra 2 defeated North Armidale 0. Norman Miniti was back on the scoring board with a goal in each half to see Guyra maintain its undefeated first place on the table. This effort also sees Norman lead the competitions golden boot award.

In Open Division 3 Guyra 5 defeated Glen Innes 3 With several players in the competition close to each other in the golden boot race Rex Tasso's four goal haul for Guyra not only gave them the win but also pushed him close to the top of the golden boot challenge.

The first half went to Guyra with Rex and Cooper Stanley scoring. While the second half was even with Rex scoring his hattrick. For Glen Innes Garry Crawford, Luke Mephram and Braiden Crawford's goals kept them in the game.

In the Over 35's Guyra 0 had a draw against North Armidale Redmen 0

Gazette's Celebrity Footy Tipping

Our highest score this week was Sue's 14 points, however, most scored 10 or 12 points. Harry remains top of the Celebrity Leaderboard on 242 with Vu now on 226 making a determined effort to reach the top spot.

Cody at the butcher shop is in 3rd place on 220 points, followed by the lads at Four Ways on 216. Soley certainly took his eye off the ball last week, scoring a meagre 6 points.

The Star is the Locals leader on 230 points after Nighwatchman scored a mere 8 points and joins Bulldog in 3rd place on 226.

In 2nd place we have the Red Devils and The Iggman on 228. The Red V also scored somewhat poorly and has slipped to 4th place, joining Lucy's Choice and Smooch. 'Someone Else' blamed her father for this week's poor showing!

HISTORICAL HELP NEEDED

Do you recognise the above building ... or the one below?

Did you go to (or teach at) Guyra Central School in the 1950s, '60s or '70s?

Guyra Historical Society is researching the history of the old Woodwork (above) and the Science/Home Economics buildings before they make way for the new Pre-School.

A journal will be produced and your memories and photos would be welcomed for possible inclusion.

Contact: Dorothy Lockyer or
Martha Weideman on 6779 2132
E: guyrahistoricalsociety@gmail.com

PROBUS NOTES

Our next meeting is on Monday, 9th August at the Bowling Club at 10am.

After our meeting we will see a movie at the Shire Chambers at 12 o'clock. The movie is: "Hotel Sorrento".

Any new members will be welcome.

Judy Jackson

North West Tennis Trials

Harry Purvis travelled to Tamworth on Monday 26th July to participate in the North West Tennis Trials. Harry played seven matches in total during the day, each match was first to 4 and he only lost one game the whole day.

Harry was successful in being selected as the number 1 player in the North West team to play at the State Championships to be held in Wagga Wagga later in the year.

Men's Bowls

Due to the weather the Final of the Major Singles was played Wednesday July 28th between Dan Kennedy and Mallie Walls. On his journey to the Final Mallie has had a dream run but as we all know dreams sometimes have a habit of coming unstuck. In this game Dan started off as though he had somewhere to go and was in a hurry to get there. By winning 6 of the first 9 ends Dan had opened a handy lead 12 shots to 3 shots. Mallie rallied winning the next

Saturday's big clash at the New Red Hill is also a chance to support one of Guyra's most iconic community organisations.

The Super Spuds will be wearing a special uniform against Inverell for the club's Footy Fundraiser, followed by a jersey auction at the Royal Hotel.

The fundraiser is in support of the Guyra Volunteer Rescue Association and the uniform features VRA-inspired green and white checkered stripes.

These will be up for auction at the pub with bids taken on each of 20 match-won jerseys.

The proceeds will go to help the VRA conduct its valuable role in the commu-

nity. The last time Guyra faced the Hawks, the Spuds produced their best performance of the season and the game ended in a remarkable 34-all draw. Kickoff in the leaguetag

will be 1pm with the men to follow at about 2.15pm. The bar and canteen will be open and raffles run. Covid rules apply, which means masks must be worn and spectators need to sign in at the gate.

were away to a great start with 6 shots on the first end. Despite this set back John Jackson and his team fought back but try as they might John McIlwain and his team surged ahead. John Jackson and team never gave up getting 5 shots of their own on the last end but overall were out bowled. John McIlwain and his team went on to victory 30 shots to 18 shots over 21 ends. There is no Club Championship games set down for this weekend

Spuds clash for the VRA

The Spuds will wear special jerseys that will be auctioned after the game

Wayne Reeves. This game was a very close game for the first 17 ends with the scores Robert Moore and team on 14 shots, Scott and team 10 shots. Robert and team won the next 3 ends opening an unassailable lead, as a result they went on to win the encounter 20 shots to 12 shots over 21 ends.

The second game was between John Jackson, Murray Bourke, Paul Johnson and Robert Walls who played John McIlwain, David Wilcox, Cameron Peardon and Roger Cox. John McIlwain and team

Touch Football PSSA State Knockout Competition

Guyra Central School's Primary Touch Girls Team

On Monday the 26th of July, both Guyra Central's Primary boys and girls touch football teams travelled to Glen Innes to compete in the PSSA knockout against Glen Innes Public School.

The boys played first and the game was a fast-paced game with Guyra making some simple mistakes. At the end of the first half the score was 6 - 1 to Glen Innes. In the second half, Guyra was not able to get in front of Glen Innes but were able to improve on their mistakes that they made in the first half by not turning the ball over as often. Tynan scored another runaway try and at fulltime the score was 11 - 2 to Glen Innes.

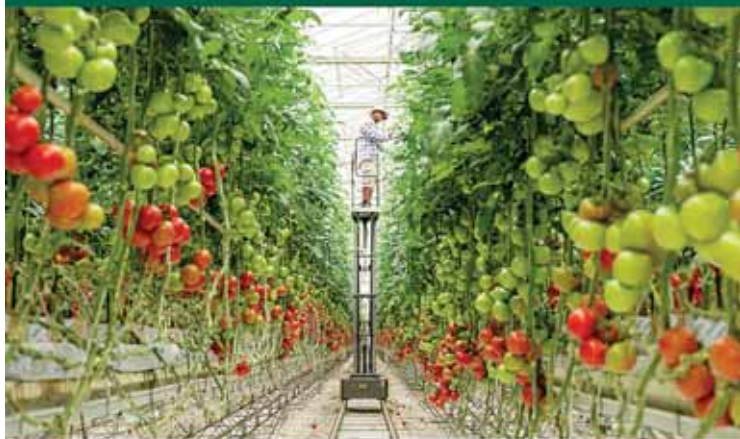

The girls started and showed that they were very strong in defence and attack. Gwenisha Landsborough scored a runaway try just before the end of the first half. At half time the score was 2 - 1 to Glen Innes. The girls came out hungry to win the second half and Gwenisha and Rose Kliendienst both

scored runaway tries. The girls defended well and held out Glen Innes from scoring until the last minute. At the end of the second half the scores were tied and meant that the girls would go into overtime where they were to play drop-off. Every 2 minutes a player was taken off until it was three against three. Gwenisha, Hayley Williams and Savannah Lansley-Irving were the last three left on the field and played a solid 10 minutes of defence and attack, until Savannah ran the full length of the field to score, winning the game.

Well done to both teams who showed great sportsmanship. The girls will verse Sir Henry Parkes Memorial Public School in the coming weeks at Guyra Central School.

A BIG thank you to Adrian Cameron for driving the students on the new bus to Glen Innes, Miss Fletcher for coaching, Glen Innes Public School, both teachers and students and the Referees.
