Guyra locked down as COVID spreads

The first confirmed coronavirus cases in the New England since 2020 has seen Guyra enter a snap lockdown as part of the Armidale Regional LGA.

The news was announced by Health Minister Brad Hazzard on Saturday morning and as a result the community began a seven day COVID-19 lockdown at 5pm on Saturday.

The stay-at-home order also applies to people who have been to the community since July 29.

There have now been three confirmed cases of community transmission in Armidale, all from the same household. Only three exposure sites have been listed - Armidale Secondary College, Domino's Pizza and the Explorer service from Broadmeadow to Armidale on 29 July.

On Monday, Tamworth also went into lockdown for 7 days. While there is no confirmed case of community transmission in Tamworth a woman from Newcastle with COVID had visited a number of loca-

tions.

The Public Health Order for the Armidale local government area will remain in place until August 15th.

Armidale Regional Council Mayor Ian Tiley said that it is disappointing but not surprising that COVID has reached our region.

"Over the last few years we have dealt with drought, bushfires and COVID and I am in no doubt that if we stick together, do the right thing and look-out for each other we will get past this current outbreak of community transmission," Mayor Tiley said.

"It is extremely important to not be complacent. Get tested if you have even the mildest of symptoms and always act as if COVID is present.

"Be considerate and kind to each other. Reach out to your friends and family to ask if they are OK. Doing the simple things will make a big difference."

Council has enacted its Business Continuity Plan and all non-essential council facil-

ities will be temporarily closed. All hands will still be on deck behind the scenes to ensure essential services are delivered as normal.

The community is reminded of Council's wide range of on-line services available via the Self Service tab on our website. The Customer Service team will also be available via

1300 136 833 to answer any queries you may have about Council's services.

Rotary Pride of Workmanship Awards

Wendy Mulligan, President of the Rotary Club of Guyra last week presented Pride of Workmanship awards to local employees. Guyra Rotary Club has sponsored these Awards since 2003. It is a reminder to employers of the benefits to all that flow from supportive teamwork within the workplace.

“It was a privilege being able to honour the 2021 Pride of Workmanship Awardees for their outstanding dedication, attitude and commitment in their work places,” Wendy said. “Their attitude to their work and their interaction with their work mates and the community helps to make our town the best place to work and live.”

“Our town is fortunate indeed to have flourishing businesses with such enthusiastic and committed staff who care about their town, themselves

and what they can do for their customers.

“They don’t regard their employment as just a job, they take that extra step to ensure excellent customer service.

“There is a sense of responsibility to do a job well and exceed expectations. This is one of the greatest assets that people working in our town can bring to building our community and making our town a better place to live.”

The concept behind these awards is to help local businesses to publicly recognise their employees who consistently exceed expectations. The employees in our town are the most valuable asset that our business community has. Through their good work, business will prosper and our community will continue to grow.

Education Week Activities

On Friday, 30th July 2021 Black Mountain Public School celebrated Education Week a range of cultural activities on offer. We started the day by presenting our Education Week Awards.

The students participated in music activities with Ms Eliza Scott from the New England Conservatorium of Music. She played her violin to the K-2 students and they danced to different tempo and rhythm styles. The 3-6 senior students participated in rhythmic dance and actions to instruction and sight cards.

The students then displayed their creative art flair by creating very colourful murals which will be displayed at our school. A big thank you to our school leaders who helped organise and serve the sausage sizzle for lunch and watermelon and lamingtons for dessert. The day ended with fun, sporting activities such as the highly competitive egg and spoon relay races and duck-duck

Shoppers urged to comply with health orders

Kirks IGA is asking customers to help them comply with health directives following the lockdown announced by the NSW government. Following a confirmed cases of COVID-19 in Armidale, Guyra, along with the whole of the Armidale Regional LGA, entered a snap lockdown at 5pm on Saturday. The lockdown is scheduled to last until 12.01am on Sunday August 15th.

Kirks IGA manager Harry Kirk said that when news of the lockdown came through, there was a massive surge of customers looking to stock up before the 5pm deadline. This meant that some staff came in on short notice to serve and restock the shelves.

"I want to thank my staff who came and helped us meet the demand from our customers at a very trying time," Harry said.

"They did a fantastic job under difficult circumstances. Our staff are at the frontline and with the lockdown now in place they have

Please stay Covid-safe while shopping in store.

- Wearing a mask and sanitising is essential.
 - One (1) member of a household should do the shopping.
- Entry to the store is now via one door only.

Please be mindful of each other and stay socially distanced.
A member of our staff will be at the door to assist you with the check-in process.

the extra burden of ensuring that customers are complying with the rules.

"To make their job easier we encourage our customers to be mindful of others in the community, and follow all social distancing and COVID-safe measures in our store

and treat our team members and each other with respect."

To ensure the safety of both staff and customers Kirks have now implemented extra precautions. They have tightened their entry requirements as part of their COVIDsafe plan. Entry will

now be restricted to one door with a staff member on duty to ensure that everyone entering is complying with the health orders, including wearing masks, sanitising and to assist with the check in process.

Customers are also reminded that only one member from each household should enter the store to purchase essential items and that they should plan ahead so that they can get in and out of the store as quickly as possible.

"We understand this is an uncertain time for our community, but we want to reassure customers our store will remain open throughout the lockdown," Harry said.

"There is plenty of stock coming and our staff are working hard to make sure the shelves are kept stocked and everyone can get their fair share.

Customers are also reminded that home delivery is available by phoning 6779 1555, with morning and afternoon delivery available.

Covid-19 testing now available Guyra

In order to ease pressure and reduce waiting times at COVID-19 testing clinics in Armidale, screening is now available at the Guyra Multi-Purpose Service (MPS). Testing facilities have also been made available in Uralla.

Following the announcement of the Armidale Regional LGA lockdown on Saturday well over 1,000 residents were tested across the city's three clinics each day.

Member for Northern Tablelands Adam Marshall said that the trade-off for

that huge volume of people has been extensive waiting times.

In order to reduce the number of people travelling to Armidale for testing, Guyra residents can now be tested at the new MPS drive-through service, which is open from Monday to Friday 8.30am to 11.30am. You need to book an appointment by calling 6738 4000.

"Waiting is inconvenient but necessary if we are to successfully identify and monitor any new infections," Mr Marshall said.

"Due to the number of tests being done across the State, it can take up to 48 hours for results to come back. In that time, those who have been tested should be adhering to the stay-at-home-order," Mr Marshall said.

"A big thank you to everyone in the region, you are all doing an amazing job adhering to the lockdown requirements.

"I know this is difficult and frustrating, but if we all do our part, we can come out of this next weekend."

Record breaking sale for Glenavon

Glenavon Angus held their 37th Annual Bull Sale on Monday 2nd August, which resulted in a full clearance of all 103 bulls offered. The 2021 sale saw Glenavon break several of their own stud records, including the top price 2yo bull selling for \$40,000, a yearling Bull lot 51 selling to \$26,000, and unjoined 12mo old heifers topping at \$3,500.

Overall the 2yo bulls averaged \$15,273 and Yearling bulls averaged \$12,166 which were also new records for the stud. The top priced bull Glenavon Enhance Q042, who was used in the stud as a yearling, is from an outstanding female longevity pedigree, and sold locally to the Lindeman Family, Wollomombi. Whilst many bulls sold locally, good drafts were sold to Northern Queensland and as far south as the western districts of Victoria. The line of 94 top of the drop EU heifers were purchased by a Wagyu operation in southern Queensland.

In his opening remarks prior to the sale, Richard Post reinforced the stud's key focus on females, longevity, structure and fertility. The 2yo bulls offered were just weeks old when Richard took them away with their mothers on agistment to western NSW in the depth of the drought in 2019. All that time away from his wife Prue and three young children in an attempt to keep the Glenavon

Glenavon stud principal Richard Post, auctioneer Lincoln McKinlay, Elders, Inverell with buyers Trish, Michael and David Lindeman, Maryburn Partnership, Maryburn, Wollomombi

stud and commercial herd together, was rewarded with the result of this year's sale.

Attendees at the sale were treated to a slow smoked brisket lunch and a remarkably mid August day. Richard and Prue Post would like to thank the local community for their ongoing support of their breeding program, Elders Guyra for managing the sale and key members of the Glenavon team Dan & Emma McLennan and Cody Clarke.

The Hub fundraising

The Hub at Guyra is hoping to initiate a youth program in the near future. Over recent weeks, they have been raising funds to assist with the delivery of the program by operating a fortnightly stall at the Saturday morning markets in Guyra.

They have been selling a range of items including fruit and vegetables, craft items and second hand goods. Their efforts have received the support of the Costa Group, with the Tomato Exchange donating tomatoes, which are sold through the stall. The Hub

would like to thank them for this generous donation and for supporting the youth of Guyra.

They have also conducted a raffle with the winners drawn last week. The first prize, a crochet merino wool rug from the Hub at Guyra and a poetry book and stand from the Australian Poetry Hall of Fame, was won by Helen Stone. The second prize, a \$50 petrol voucher from Fourways Guyra, was won by Gayle Moses. The Hub would like to thank everyone for their support.

Rural Market Reports

Guyra Sheep and Lamb Sale

August 4 - There was an overall reduction in lamb numbers with 2350 yarded down 1150 on the previous sale. Sheep supplies were up 100 to 790.

The quality and condition of the lamb offering was very mixed. There was an increase in numbers of light-weight Merinos and a fair supply of well-finished medium and heavy weight crossbred lambs. The usual processors were in attendance, while local restockers were active on the light weight Merino lambs and processors active on the heavier weights.

Market trends varied through the lambs. Crossbreds to restock-

ers sold to cheaper trends with quality contributing and the market lacked light-weight Merino lambs from the previous sale to make a market comparison. Well-finished trade lambs up to 22kg dressed sold to a slightly cheaper trend. The heavier weight classes mostly sold to dearer trends. There was some weight related price improvement with more lambs in the extra heavy weight class. There was also some negative price change where breeding and quality were factors.

It was a mixed quality and conditioned penning of sheep. There were a number of bare shorn Merino sheep, alongside a few lots of longer wool sheep. Demand was weaker from processors with market trends mostly a little cheaper.

Armidale Cattle Sale

August 11 - A yarding of 290 down 110 on previous sale. With the district very wet, numbers reduced to their lowest winter offering. All categories were represented with low numbers in all.

The quality and condition of the offering was very mixed, with a few plainer conditioned cattle showing the effects of the cold and wet weather. There was restricted processor competition, however local restockers and some feedlots active.

Market trends varied through the young cattle. Vealer steers to restockers sold to a significantly cheaper trend while light weight

heifer vealers remained firm with some quality related price change. A very mixed quality penning of yearling steers also sold to a cheaper trend with quality affecting price change. Yearling heifers followed a similar trend with the same factors in play. All the heavy grown steers went to restockers and feedlots, the majority carrying 4 and 6 teeth, while those with 2 teeth attracted strong premiums.

There was a fair supply of plain conditioned manufacturing steers penned that sold to a slightly cheaper trend. There was little change in the market for well-finished cows with reduced processor competition. Restockers were active on plainer conditioned cows

Bridgewater Angus tops at \$20,000

James Flower, Geralyn Flower, Alex and Breanna Laurie (Riamukka Partnership), Roger Flower and Nick Rogers

The Bridgewater team are thrilled with the result of our 4th on property sale, selling all 40 bulls offered with Bridgewater Compass Q093 topping our sale at \$20,000 bought by Riamukka Partnership Nowendoc.

Twenty nine rising two year old bulls sold to an average of \$10414. Eleven year-

lings sold to a top of \$11,000 Bridgewater Lotto R068 sold to Talisker Grazing Uralla, they averaged \$6,545. Five Bulls were sold into Queensland, which is a first for us and one heading to Victoria. Thank you once again to all our local buyers.

Kranga Cattle Co bought three bulls, two Dusty sons

and a Booragul General. HM Grazing Bendemeer first time customers also bought three bulls, two Rennylea sons and a Booragul General. Thank you to the Davidson Cameron team on a very successful sale especially Nick Rogers who has done a great job for us over the past two years.

Special thanks to all our dear friends and family who helped on the day in the yards, on the BBQ and in the kitchen, we could not do this without your help. We look forward to welcoming you all back next August for our 2022 sale.

Gazette's Celebrity Footy Tipping

A few top scores of 14 this week: Soley and the Gazette of the Celebrities and the Locals Hazel, Good Guess and The Star.

Harry, on 254, is still the top Celebrity and with just a few weeks remaining in the competition, it is unlikely that Vu or Georgie will be able to catch him. They are both on 236.

In 3rd place is Cody on 232 and not far behind we have the Gazette and our

lads at Fourways equal on 228.

The Star made his run a few weeks ago and is top of the Locals Leaderboard on 244. Will he be able to maintain this 8 point lead over The Iggman, Nightwatchman and Bulldog on 238?

Red Devils (who were doing so well for quite a while) are in 3rd place on 236, followed by Lucy's Choice and The Red V on 234. There could still be a late run to the finish line.

HISTORICAL HELP NEEDED

Do you recognise the above building ... or the one below?

Did you go to (or teach at) Guyra Central School in the 1950s, '60s or '70s?

Guyra Historical Society is researching the history of the old Woodwork (above) and the Science/Home Economics buildings before they make way for the new Pre-School.

A journal will be produced and your memories and photos would be welcomed for possible inclusion.

Chamber Chatter

The Guyra and District Chamber of Commerce held their monthly meeting on Tuesday August 3rd. This was the final meeting before we have the AGM next month. Diane Gray from Business Australia conducted the final workshop in a series we have been working through to develop a new Strategic Plan and corresponding Operations Plan for the Chamber Committee. This will provide focus points going forward and consistent effort in the planned direction.

Membership has continued to grow steadily throughout the year and it is good to see members working on delivering outcomes for Guyra. Donna reported the new murals have been completed by Kay Smith and Brian Irving and will be installed on the toilet block in Volunteer Park on August 19th, depending on the COVID lockdown status.

David Kanaley spoke about

the plans for the Guyra Garden Club's memorial Mandala garden and Memorial Avenue of trees. James Warren gave a presentation about TripAdvisor and encourages members to sign up and claim their listing. TripAdvisor.com is the World's largest travel information website and database used by many travellers as their source of information.

It is important for as many businesses to list on TripAdvisor and get reviews so that when visitors search Guyra there is a comprehensive list of things to do, places to stay and eat. You can help out by giving positive reviews to Guyra businesses. So I would encourage all members of the community to get behind our local business, put some reviews on TripAdvisor.com and encourage visitor to stay and spend in Guyra Business. Stay COVID safe.
