Five names on the ballot paper

Five candidates will be on the ballot paper for the Northern Tablelands by election on June 22nd, seeking to replace retiring MP Adam Marshall.

Electoral officer Peter Dooley conducted the ballot draw on Friday June 7, with the following list of candidates in the order as they will appear on ballot papers:

1. Ben Smith (Shooters, Fishers and Farmers);
2. Dorothy Robinson (Greens);
3. Natasha Ledger (Independent);
4. Duncan Fischer (Independent), and
5. Brendan Moylan (Nationals).

Candidates are running on a range of issues, including New England's Renewable Energy zone, the rail trail and to promote transparency in politics.

Independent candidates Duncan Fischer and Natasha Ledger are both based in Uralla.

Mr Fischer's promotional material asserts that he advocates for a return to commonsense government, more doctors for the region and also highlights his opposition to the proposed New England Rail Trail.

Ms Ledger is running on a platform of long-term drought mitigation, developing a local and regional waste strategy and addressing long-term sustainability challenges.

Greens' candidate Dorothy Robinson has listed health, education, social services, affordable housing, and a fair share of the benefits from hosting the Renewable Energy Zone as being among her priorities leading into the poll.

Moree Solicitor Brendan Moylan, who is standing for the Nationals, said if he were elected, he would "fight for every community large, small and remote across the electorate".

Shooters, Fishers and Farm-

ers Party candidate Ben Smith describes himself as a 'dedicated outdoorsman' who currently works in the forestry industry. He has listed fixing the Armidale to Kempsey Road as his number one priority.

Where to vote.

Pre Poll voting will be available from June 15th in Guyra as well as Inverell, Glen Innes, Armidale Uralla and Moree.

Pre poll voting will be open on Saturday June 15th (9am to 6pm), Monday June 17th to Thursday 20th (8.30am to 5.30pm), and Friday June 21st 8.30am to 6pm).

Guyra voting will take place at the Community Hall, (located in Dutton Parade adjacent to the Showground).

Postal vote applications close on Monday June 17th. Completed postal ballot papers must be received by the NSW Electoral Commission no later than 6pm Friday, July 5th.

Registered General Postal Voters will have their pack sent automatically to their nominated address and do not need to apply for a postal vote.

On election day, June 22nd, polling booths will be open at the Guyra Community Hall and at Black Mountain Public School. Opening hours are 8am to 6pm.

The method of voting in Legislative Assembly elections is optional preferential. To cast a formal vote, the elector must place the number '1' in the square next to their first choice candidate.

They have the option to show further preferences by placing the number '2' in the square next to their second choice candidate, the number '3' next to their third choice candidate and so on.

They may number as many or as few squares beyond their first choice candidate as they wish.

Reconciliation Week Celebrations at Black Mountain

On Monday, 3rd June 2024 we acknowledged Reconciliation Week at Black Mountain Public School. We started the afternoon with a Smoking Ceremony followed by the planting of an Acacia Wattle in our Reconciliation Garden.

This was followed by afternoon tea which was enjoyed by students, staff, parents, and carers. Thank you to the Banbai Rangers for organising the smoking ceremony and our parents and carers who attended.

Responsible Cat Ownership - Understanding Cat Behaviour

Did you know that cats are allowed to roam from their homes? Under the NSW Companion Animals Act, cats are allowed to roam from their homes. However, roaming cats can be trapped and taken to an Animal Care Facility if necessary for protecting people or animals from injury or death, or if found in designated wildlife protection areas.

Our Rangers do not collect cats; it is the responsibility of individuals to take them to the animal shelter.

Some other key points to consider:

1. Microchipped cats will be checked for compliance with Section 9 of the Companion Animals Act 1998 and returned to their owners.
2. Unidentified or stray cats will be impounded as per Section 32 of the Act and held for a minimum of seven days, after which they may be rehomed if not claimed.
3. Feral cats, as determined by an authorized officer or a veterinarian, will be humanely euthanized.

Council Meetings

The next ordinary council meeting will be held in Armidale from 4pm Wednesday 26 June 2024.

The public are welcome to attend a live stream of the meeting from the Guyra Civic Administration Building for any residents willing to watch.

Candidate Briefing Sessions

Armidale Regional Council will be hosting 3 hour sessions which are essential for all potential candidates considering standing for election to understand what is entailed in being a councillor.

To find out when we will be holding these sessions, visit the 'News' section on the Council website.

Community Clean Up

Thanks to a ratepayer request, the Bradley Street beautification project continues with the installation of cigarette bins, which have been mounted on the existing Bradley Street bins.

The issue first arose as too many cigarette butts were found to be left on the ground.

Llangothlin Road Rehabilitation

In just over a week, our roads crew have completed the Llangothlin Road rehabilitation project in Guyra! This work included 1.1 km of pavement installation along the road and 2.2 km of drainage, totaling an approximate area of work of 6100 square meters. Well done to the team for their efforts in completing this work so quickly and to such a high quality!

New employment opportunities for First Nations people

An Indigenous Engagement program is already showing results for the team at the Costa glasshouses in Guyra.

Senior HR Business Partner Kylie Taylor said they were working with Joblink Plus to provide new employment opportunities for First Nations people.

The team recently hosted a successful site visit which included five local First Nations people introduced through Joblink Plus, who toured the site and met with a number of managers across the business.

“We did a tour of the glasshouses, packing and dispatch. It was really great for them to see all aspects of the

operations and the different opportunities that we have available here,” Kylie said.

“They also met with a number of our leaders, three of who are local Guyra residents, who are long-standing employees and who have worked their way up into their current positions.”

Kylie said the ongoing partnership with JobLink Plus had already led to three positions being offered.

Terique Smith is working in packing and dispatch at the New England Highway glasshouses, Neville Cohen is working as an upkeep technician at Elm Street and Jodie Bell will be joining the Innovation Team.

Committee appointment for Aileen MacDonald

Guyra based MLC the Hon Aileen MacDonald OAM has been appointed to Portfolio Committee No.4 ‘Regional NSW’.

The Committee examines Regional NSW, Agriculture, Western NSW, Small Business, Lands and Property, Multiculturalism and Sport.

“I am thrilled to be on this committee because my passion has always been for Northern and Regional NSW, and small business,” Ms MacDonald said.

“I have owned and operated a small business in the New England. I understand the challenges of building a business, paying wages of local staff, and dealing with the high costs of country-based enterprises.” she said.

“I would do anything to support the economic prosperity of our region. When we get small business right, we keep our towns growing and provide opportunities for families,” Ms

MacDonald said.

“Our problems are unique. We constantly battle remoteness, the climate and bureaucracy. We’ve had to contend with challenges from natural disasters, skills shortages, Covid-19 constraints, and an explosion of introduced pests including fire-ants and feral pigs.”

Ms MacDonald said the Minns Labor Government was too Sydney-centric and out of touch with issues like these which affect those in the regions and those with small businesses

Morning tea raises funds for cancer research

A heartfelt thank you to the students, staff, and school community of Guyra Central School for their involvement in the Schools' 'Biggest Morning Tea' event organised by the Secondary Student Representative Council (SRC) on Wednesday, June 5th.

Special thanks to Mrs. Rebecca Smith and her dedicated SRC team, as well as their families, for their hard work in baking and contributing scones, pancakes, slices, and

cakes, which greatly contributed to the success of the event.

Together, Guyra Central raised a remarkable \$608.55 through coffee orders, cake and slice sales, and generous contributions from the school community.

This amount will be donated to Australia's Biggest Morning Tea by the Cancer Council. Thank you to everyone who played a role in ensuring the success of this event!

Australian selection for Guyra hockey master

Guyra hockey player Michael Jackson this week jetted off overseas in preparation for a major international hockey tournament. Michael will travel to England and Holland as part of the Australian Southern Cross side to participate in the Hague Cup.

The masters tournament involves representatives from 27 countries, playing in four age divisions including over 60s, 65s, 70s and 75s. Michael will be part of the over 60s team alongside Armidale local Rick Ambrose. They gained selection in the side after playing for the NSW team which won the Australian Championships last year.

The tour kicks off in England on June 16th, with the team playing a couple of warm up games before they take on the England side on

home turf. They will have a second game in England, before arriving in Holland on June 21st, with games continuing until June 30th.

Michael expects some tough competition but says that Australia has a very good side and he expects some good results from the tournament. It is not his first outing at this level of competition and he has previously been part of national masters teams on tours to New Zealand and Fiji.

Talent runs in the family with son Matt also preparing to represent Australia in the over 34s division, and he will be heading over to South Africa in September. Michael initially took up the sport when Matt was a junior so it is fitting, and quite unique, to see father and son now both playing at this level.

Bald Blair students excel at sport!

Taharn Masuk-Purvis. (Raffle tickets are available to purchase at GALA to assist Taharn)

On Friday 24th May, Bald Blair students Dustin Turnham, Sadie MacDougall, Sydnee Everett, Claudia Evans, Grace Schaefer, Ruby Little, Luca Little and Elka Chilcott-Geere competed at the Armidale Zone Cross Country at Bellevue Oval.

The students all tried their very best and came 2nd overall in the Small Schools competition.

Congratulations to Dustin who came 4th in the 8/9 years event and Sadie who came 5th in the 8/9 years event.

Sadie and Dustin will now travel to Coolah on the 13th June to attend the North West Cross country carnival.
