Nationals retain Northern Tablelands

Brendan Moylan has been elected by a comfortable margin to become the new member for Northern Tablelands in the NSW Parliament.

While votes are still being counted it appears that he will be elected with similar results to that which were achieved by outgoing member Adam Marshall at the last election, retaining the seat's status as the safest in the State.

Mr Moylan has received 69.68% of votes on first preference counts to date, and is standing on 86.9% of the vote after the distribution of preferences. The poll will be officially declared on July 10th.

Mr Moylan said he was humbled by the result and by the level of community support across the electorate.

"I have spent the last seven weeks travelling across Northern Tablelands meeting with locals in communities and towns and hearing what matters most to them," Mr Moylan said.

"While each community has its own challenges, the key issues raised with me as I traversed the electorate were access to healthcare, the cost of living, and law and order.

"I thank the voters of Northern Tablelands for placing their trust in me. They can rest assured I will do all I can to continue Adam Marshall's hard work in fighting for our communities right across the region."

Nationals candidate Brendan Moylan celebrated his victory with his family on Saturday evening

St Marys students complete Sacraments

On Thursday June 20th, five young people from St Mary of the Angels completed the Sacrament of Reconciliation.

This is a special sacrament that is instituted by Jesus Christ in his love and mercy to offer us forgiveness for the times we have sinned and turned away from God.

Congratulations to the following students: Archie Floyd, Elinor Hill, Mackenna Cleaver, Kayden

Williams and Cooper Williams.

On Sunday June 23rd, three students completed the Sacrament of First Eucharist. First Eucharist is a part of the process of initiation into the Catholic community and celebrates the real presence of Christ in the bread, wine, and gathered community.

Congratulations to the following students: Clancy Robinson, Chaise Martin and Tristan Nguyen.

Application for Appointment of Board Members

Tenterden Recreation Reserve Land Manager

Ever wondered who is responsible for keeping Crown reserves operating?

Countless facilities like showgrounds, local halls and parks are run by Statutory Land Manager Boards, made up of people just like you. People who understand the need and have a desire to manage public land and assets for the benefit of the entire community.

Your role as a Board Member is voluntary, but the rewards of giving something back to the community are priceless.

We are looking for a good mix of people with a variety of skills, however, sound business and financial management skills and objective decision-making expertise would be a distinct advantage.

Don't let this opportunity to do something for yourself and your community pass you by - contact us today.

The Tenterden Recreation Reserve Land Manager manages the Reserve No. 60459 at Tenterden notified on 1-Jun-1928 for Public Recreation. The term of appointment will be for a period not exceeding 5 years.

Application for membership can be made via portal.crownland.nsw.gov.au

All applications are required to be lodged by **26 July 2024**.

For further information contact: **Angie Wetzler on (02) 6770 3110 or go to reservemanager.crownland.nsw.gov.au**

Garden Club helps out vital service

Carol Tierney (left) handed over a cheque for \$1000 to Daniel Gillett from the WRHS

The Guyra Garden Club moved indoors for their June meeting, offering members a range of demonstrations and talks suitable to the time of year.

The highlight of the meeting was the presentation of a cheque for \$1000 to the Westpac Rescue Helicopter Service (WRHS). The funds were raised by the club through their plant stall at the Guyra Christmas Carnival.

Tamworth based WRHS regional partnerships officer Daniel Gillett was in attendance at the meeting to accept the donation. He also took

the chance to update club members on the work carried out by the helicopter service.

Mr Gillett highlighted the fact that the WRHS is the only service providing aeromedical services in Northern NSW and as a result of their work 1650 lives were saved last year alone. Each of the services four helicopters is well equipped for medical emergencies and they have a highly trained doctor and paramedic on board who can act immediately to give lifesaving treatment.

He also said that the WRHS is increasingly being called on to fill the

gap in health services in smaller communities and are often being called on to transport patients from small hospitals to larger hospitals to access specialist services. More often than not they are better equipped than many of regions smaller hospitals.

“It is humbling to make the trip up to Guyra and accept this donation,” Mr Gillett said.

“Every donation from community groups such as the Garden Club makes a difference to people in regional communities that rely on the services that we provide.

“One third of our funding comes through sponsorship and donations so we appreciate every dollar raised on our behalf..”

Following the cheque presentation members, including three new recruits, were able to learn tool sharpening skills from Peter Thornycroft. They then moved on to the Community Garden to enjoy lunch provided by the Neighbourhood Centre. Club member Barbara Ross also gave a talk about the design of the gardens in front of the Guyra council offices which have been set up ensure colour all year around.

Alcohol-related crashes on regional roads are almost twice as likely to end in death or serious injury.

Say “**Yeah...NAH**”
to drink driving.

What's HOT

More people voted pre poll than voted on election day

Tour de Rocks total for 2024 raising \$372,050 for cancer charities - well done!!

Council elections coming up in September

Are you missing out on free help for your country small business?

Regional NSW small businesses are already the biggest users of the State Government's Business Bureau facility, but many more country firms could still be taking advantage of a free business advisory service provided through Service NSW.

Executive director Cassandra Gibbens says more than 55,000 small businesses have been helped by Business Connect since this unique program began in 2017, and more than half of these have been located in regional areas.

The Business Connect service, which is provided through Ser-

vice NSW, provides for eligible businesses to have personal assistance from professional, qualified advisors on a one-on-one and on-going basis.

Participation in the program also provides access to workshops, webinars, and events,

"From getting started, to marketing and managing cash flow, the Business Connect program within the Service NSW Business Bureau provides up to eight hours of free events and independent, tailored advice each year for businesses across the State," Ms Gibbens said.

"Business Connect advisors

have experience running their own businesses and provide free, confidential business advice based on your goals."

Ms Gibbens said the program is also worthwhile for people who are considering starting up for the first time – 20 per cent of inquiries come from clients intending to enter the business world with a new product or business idea.

According to Service NSW, the Business Connect program has achieved a 96 per cent approval rating from small businesses that it has assisted to date.

Black Mountain Public School

Mid Term Assembly

On Friday, 31st May 2024, we held our midterm assembly for Term 2, 2024 at Black Mountain Public School. Students received Principal's Awards and Class Awards, and performed songs from our recent Eisteddfod success. Congratulations to our awardees.

It was lovely to see our parents/carers who attended our assembly celebrating our students' achievements.

*Mrs Justine Eddy
Relieving Principal*

3-6 awards (l to r) Seth Patterson, Arwyn Sampson, Noah Gilvear & Sienna Williams.

Have Your Say....

S&GGRI extends warm congratulations to Brendan Moylan on his election as Member for Northern Tablelands. Following transparent and meaningful discussion prior to the by-election, we look forward to Brendan flexing his legal muscle to support the Guyra ratepayer and community as we pursue our proposal to separate from ARC, which is currently in the hands of the Minister for Local Government, Ron Hoenig.

Dr Amanda Cohn MLC, has accepted Save and Grow Guyra Ratepayers Inc (S&GGRI) invita-

tion to be our guest at our public meeting being held at the Guyra Bowling and Recreation Club on Tuesday 9 July 2024 at 5.30pm.

Dr Cohn remains a strong voice in NSW Parliament advocating on behalf of forcibly amalgamated councils across the State. As a member of the Upper House, and staunch ally, Dr Cohn is in a unique position to provide our community with an update.

Please join us for this valuable opportunity to have your questions answered.

S&GGRI will be back on the streets, Bradley Street to be exact,

for a series of impromptu sausage sizzles. You'll find us outside the IGA Supermarket, so please stop for a chat. Membership forms will be on hand. Your \$10 membership fee supports us in our fight to advocate for the community and includes a local beef snag.

If we miss you at the sausage sizzle, you can now contact S&GGRI via email: saveandgrowguyra@gmail.com or PO Box 77, GUYRA NSW 2365.

*Rob Lenehan
Chairman S&GGRI Inc.*

Farmers better equipped for changing climate

UNE together with Landcare groups, Southern New England Landcare and GLENRAC Inc., delivered a series of Calculating Carbon workshops, as part of the Drought Resilient Pasture Landscapes (DRPL) project, that educated landholders on sustainable farming and the potential benefits it can have on productivity, profits and emissions.

Hosted by Dr Tom Davison, a leading expert in livestock production, methane emissions and greenhouse gas emissions reduction research, the workshops taught participants from how to calculate greenhouse gas emissions from their farm and estimate their annual output.

Project lead Professor Lewis Kahn said that practices that lower greenhouse gas emissions form part of good farm management and have benefits for both sustainability and productivity.

“The topic of carbon is complex, and farmers need to understand not only the drivers of change but the various practices to reduce emis-

Participants taking part in one of the workshops in Guyra

sions and the international and local regulations, financial markets, and supply chain pressures,” said Professor Kahn.

“These workshops aimed to better equip farmers with improved knowledge to make informed decisions about participating in the carbon economy.”

Participants were also provided

with practical strategies to implement on farm to reduce carbon. These strategies include better efficiency of production through higher rates of reproduction and growth rates in beef cattle herds, using feed additives such as nitrate, anti-methane products, oils and tannins, breeding for lower methane emissions, using legumes

and novel forages, environmental plantings, and storing soil carbon. Growers gave a very positive review of the workshops, identifying how much they learned and the value of having calculated their annual farm greenhouse gas emissions.

Since December 2022, the DRPL project has been working with farmers across the Northern Tablelands through an on-farm coaching program to better equip them to navigate climate variability and drought conditions using a range of indicators for productivity success, including pasture herbage mass, ground cover, and soil organic matter, that also provide public benefit through reduced weeds, erosion and rainfall runoff.

With the project ending in June, key information will be transferred into a free online resource that will be publicly available from July.

For more information contact Southern New England Landcare on 02 6772 9123 or email mail@snelandcare.org.au

GUYRA
Armidale Region

Four tries in one game goes to Indigo Atkin with her quick steps confusing the opposition. Eva Artz had a great game in both attack and defence earning her Guyra Girl of the match.

Under 8s – have a great team that always turn up on the day to play footy. Nicholas Hutton has some great tackle technique and is always there in support. Tremane Patterson is quick of the mark, and this got him two tries on the weekend.

The **'Little Chats' Under 6s** are entertaining to watch. Running onto the field through a tunnel made by the under 10s team the 6s took to the field with heaps on excitement. The whole team are improving with their tagging technique, but everyone loves it when it's their turn to run the football. Peyton Orchard made a great break up the sideline to get a try. Solomone Ale with the ball tucked up tight zigs and zags his way across the field.

The **Under 12s** Team turned up to give it their all to Glen Innes. In a tight game right till the end the boys left nothing on the paddock. Putting on some great tackles and working together in defence they stayed right in the game. Darcy Sisson is reliable in defence and runs the ball well in attack. Jake Atz also had a solid game with some confident running of the ball. The final score was 12-16 to Glen Innes.

Senior League Tag knew they had to play their best against a strong Glen Innes side. The girls opened the scoring through Ella

Vidler finding a gap in the defence. All the girls defended well helping one and other out when needed. Claire Bliss and Stevie McElroy both got try saving tags. The game was 10 all with only 5 minutes to go. Unfortunately, Glen Innes managed to get two breaks away to cross the try line. The score was 10 – 20.

The Under 14s play so well and as a team week in week out. Truly the score never reflects the effort these boys put in on the field. With a couple of injuries early in the game the Guyra boys were short in numbers and had to do a lot of work in defence. Thomas Graham received the ball from a cut out pass to cross the line for a try and Jack Beard earned himself 2 points from the referee for his efforts.

Right from the kick off the **Under 16s** had to play a fast paced, physical game of footy. Our boys put on some strong hard tackles rattling the Glen Innes attack. Through a Guyra error Glen Innes crossed in the corner for their first try of the match. The Guyra boys kept up the intensity, but Glen Innes were fast in attack all game. Our Guyra boys played the full 60 minutes of football and never gave up with a late try to Hugo Brazier and conversion to Harry Purvis. The final score was 6 – 36. This weekend the 16s have the bye.

Thank you to all the Guyra supporters that stay and watch all our teams play at away games. This weekend we play Warialda at home. See you at the footy.

Go the Spuds

Rural Market Reports

Guyra Sheep and Lamb Sale

June 18th - There was a yarding of 1838 head, comprising 793 XBred Lambs, 140 Store Lambs, 40 Merino Lambs and 865 Sheep.

No market report is currently being produced for the Guyra Sale.

Next sale is scheduled to be held on Tuesday July 2nd - contact your preferred agent for details.

Armidale Cattle Sale

June 20th - Armidale penned 400 mixed cattle, back 985 on the previous sale.

Plainer cattle dominated however pens of well-bred yearlings and weaners suited feeder and background operators. Less quality and a lack of numbers reduced buying power to result in cheaper trends for the most part.

Well-bred weaner steers sold to 394c/kg, most steer weaners sold to cheaper trends. The tops of the heifer weaners were 7c/kg back making 218c to 270c/kg.

Quality improvement for light background steers saw a rise of 11c/kg. Similar rises for medium steers 320c to 390c/kg. Plainer yearling heifers under 330kgs were considerably cheaper with medium weights to similar trends.

Grown heifers to restockers sold 144c to 158c/kg. Medium cows 4c/kg dearer. Heavy cows

bore the brunt of the correction 159c to 190c/kg.

Weekly Wool Sales

June 21 - After three weeks of gains and reaching a two month high the market gave back some ground this week.

The Northern region indicator lost 3 cents on the first day of sales and another 9 cents on the final day. The losses were largely confined to the finer Merino fleece types. Cardings were slightly dearer as was the 20 micron indicator with Skirtings reported as generally unchanged.

It was a small national offering with the Western region still on a fortnightly sale rotation. 25,318 bales were sold nationally for the week with the passed in rate at the season average of 7.9%.

Major buyers included Techwool, Endeavour Wool and Tianyu. The closing value of the Northern region indicator this week at 1198 cents is bang on the average for the season.

Next week's sale is the last for the 2023/24 financial year with the expected national offering rising to above 40,000 bales. A similar amount is expected for the first sale of the new season in the following week.

It's been a very stable and almost uneventful season price wise with less than 10% movement separating the highest and lowest level that the Eastern market indicator has traded at over the past 12 months.

Gazette's Celebrity Footy Tipping

Celebrity Ben had a perfect score of 10 last week to continue his lead over 2nd place Mal, 161 points to 155. Next in line is a 3-way tussle for 3rd place between Sue, Cody and Vu who are all on 143 points.

Round 16 of NRL footy kicked off with Dolphins and Storm, where the Storm got out of jail again in a nail biter and went on to record a 30-24 win over the Dolphins.

Super Saturday kicked off with the Titans at home to the Warriors and the Titans fans were not disappointed watching their team go on to record the biggest winning margin ever, 66-6 over a lacklustre Warriors outfit.

The Roosters then put the Dogs to the sword in a muddy affair,

going on to record a 26-8 Victory.

The Rabbitohs followed by putting three wins in a row together over the Manly Sea Eagles, recording a 14-0 win.

Sunday saw the much improved Tigers' young guns take on a dismal Raiders outfit at Campbelltown Stadium. This game saw the Tigers give Ricky's boys something to think about on the long road home, smashing them 48-24.

Round 17 looks to be a bit tricky with another State of Origin round interfering with the regular NRL season which always throws a spanner in the works.

Goodluck tipsters, you may need it.

Vets Golf

Golf last Tuesday the 18th was a two person Ambrose with a draw for partners and markers. We welcomed a few players we haven't seen for a while with a good field of 16.

Dave Bearup and Warren McCowen combined like true champs to come in the winners, with Neil Paine and Col Walls the runners up. NTPs went to Col Walls on the 18th with a chip in and on the 7th John Prisk put it closest to the pin.

Seemed like a successful day for the colder weather so maybe we can have a couple more of these during the winter months. Next Tuesday the 2nd is the Reg Taylor stroke plus putts.

Drake.

Ladies' Golf

Last week the Ladies played a Stroke and Putting competition sponsored by Belinda Lenehan.

The winner with a very impressive score was Debbie Burey with 73 Nett.

The runner up was Julie Walker with 78 Nett. Debbie also won the putting competition with 23 putts.

Nearest the pin winners were Debbie Burey on the 7th hole. Julie Walker on the 9th hole. Pip White on the 18th hole.

This week is a 4BBB Stroke for the NEDGA Jug sponsored by Nutrien Ag. Next week is a 4BBB Aggregate. Shona Mulligan is the starter.

Birdie

Men's Bowls

One game of major/minor pairs was played on Saturday with Steven Sole and Robert Walls defeating Anthony Bull and Ian Jacobs 26-19.

Games set down for this Saturday June 29 at 12 o'clock are:

In club pairs Cameron Peardon and Murray Bourke will play Colin Stanley and Tim Ellis.

In handicap singles Shane Brennan will play Robert Walls with David Wilcox to mark.

The club will be entering two teams in the men's pennants, to be played on the weekend of 21st and 22nd of September. Anyone that can't make themselves available for that weekend please let David Wilcox know as soon as possible.

Jack

Junior Soccer

Under 6 Caspers had a great game against a strong Walcha team in Armidale. Each player is gaining confidence every week. They are starting to work together and are improving on their defence each game.

Under 6 spooks played the Walcha Giants on Saturday in Armidale. The team played so well together again, Clark, Hugo, and Banjo all made some

amazing runs while Anna and Ebonee were great on defence.

Under 7 spooks played Uralla United in a good game. Guyra played well in attack and defence. Axel, Haidee, Stirling and Thomas played a good game and Vinnie, Eli and Willow had good games and they were our goal scores.

Under 10s was Guyra vs Guyra this week and it was a well played game. Both teams played very well and had plenty

of chances to score. For the tigers the goal scorers this week were Luca, Matthew and Grace. For the Phantoms Harry played a hard fought game up front and was very unlucky not to score. He was supported well with Harbour and Ivy down in the backs. Great game everyone

Under 12s played TAS in Guyra this week and they continued their winning way. This was not without some pressure from an older TAS side. The Guyra side run out to a 3 nil lead a half time, this was the same in the second half with the final result 6 to 0 with the goal scorers been Taharn, Peter and George.

Coaches

Senior Soccer

With a lot of the senior players tied up with other commitments on the weekend 80% of the remaining players played both games against Inverell. The first game saw a much-improved Guyra side from the team's first meeting in Inverell and Guyra was inches away from posting the first points off the Inverell keeper's mistake only one minute into the match.

The game was back and forth until Inverell broke the deadlock from a shot well outside the goal box. With a penalty given inside the box Cooper B continues to be a standout in goals saving the penalty shot. After half-time the game was tight, but Inverell again scored from a cross out wide taking away the win.

The few fresh faces for the second game saw Guyra apply the early pressure. With the possession going Guyra's way in the first quarter of the game, our forwards proved too fast for the Inverell backs but we're unable to convert it into points.

Guyra couldn't maintain the pressure with fatigue and handling errors giving the Inverell the opportunity to score and they were able to convert these into points. With Inverell taking away a narrow win.

Charlie earns spot in NSW Interschool team

Guyra Central School student Charlie Ward recently participated in the North West Equestrian Expo in Coonabarabran, securing several notable achievements.

Charlie excelled, achieving first place in the one-star eventing category, second place in the senior Pentathlon (comprising of running, javelin, pushbike riding, show jumping, and equitation), fourth place in freestyle dressage, 11th out of 87 in stock horse trials, second place in the hack competition, third place in pairs, and first place in the team of fours.

Following this success, Charlie has also earned a spot in the NSW Interschool's team for 2024, where she will compete in the one-star eventing competition.

Junior League heads north

Guyra Junior League headed north to take on the Glen Innes Magpies. But it was not Guyra's day on the footy field.

First game of the day was **Intermediate League Tag**. This was a clash of the top two teams and what a game it was. The Guyra girls defended well all game with Sammy Dowden getting some quick tags from the marker position. This slowed the Glen Innes down in their attack. Attacking the defence line strong and with speed earned Ava Williams and Tae Torrens a couple of tries. The end result was a draw 16 – 16. The girls come away on a positive and know what they need to work on.

The **Under 10s** had to defend some hard running from the opposition. Steven McLeod is committed to the team and gives his all. Jahkairan Munro-Davies runs the ball well and cheers on his teammates. Keep up the great work Under 10s.

Junior League Tag was our only winners on the day. With only six players on the team, each week the girls go out and play some great footy.
