Vets tournament set to become yearly event

Veteran golfers were out in force last week with 133 nominations over three days

What a tremendous success! Our first attempt at this tournament and we had around 133 nominations over the three days which I think equals all expectations.

It was a learning experience and no doubt next year will be bigger and better. What a great organizing team. All the fellas did what the fellas do and the expertise of the ladies saw it run like clockwork.

We were honoured with the President of NSW Vets Golf and some of his committee in attendance and they were over the

moon with our course and the organization of the event to the extent they have invited us to join in their golfing calendar and make it an annual four day event.

Events like this don't happen without sponsorship and the generosity from these people is nothing short of incredible. Please if you can give these local business people your support they certainly deserve it.

The support from the **Bowling Club** is nothing short of amazing. This organization goes over and above for all our major events. Thank you.

The **Guyra Pharmacy**. How lucky are we to have Vu and his wonderful staff supporting our town.

Costa's tomatoes are always on board with tomatoes for everyone. Delicious!

Deano's Trout Farm. What a fantastic local attraction.

Guyra District Vet Clinic and Trent Jones. What amazing local legends.

Elders of Guyra always has their flag flying and we were proud to display it on our first tee for all three days. Thank you for all the little gifts.

We also had the flag of **Davidson Cameron & Co** flying also on the first tee.

Sole Taxation was again on board. What a great asset to our town.

Steve Bishop had a great display of golf gear in the club and his support as always is greatly appreciated.

Regional Australia Bank. What can I say, these guys are brilliant.

If I've missed anyone, sorry, I will get you next week.

Headspace visit engages students

In recognition of Mental Health Month, Headspace Armidale visited Guyra Central School on Tuesday October 22nd, to engage with students and provide a delicious BBQ lunch. This meal was offered to all secondary students, as well as those in Year 6.

It allowed our students not only to enjoy a fantastic lunch, thanks to the team at Headspace Armidale, but also to converse with Headspace staff about the support available for young people and their families, along with information on how to access these resources.

Headspace centres and services are available throughout Australia, serving metropolitan, regional, and rural areas. They aim to support young people and their families in maintaining mental health and staying engaged in their communities. Headspace centres serve as a comprehensive resource for individuals aged 12 to 25 seeking assistance with mental

Biosecurity On-Farm: A Practical Perspective

The Guyra Landcare Network hosted the Biosecurity On-Farm: A Practical Perspective event, held on October 23rd at the Guyra Community Hall.

It was a fantastic success, with good attendance and lively audience engagement throughout the day.

Local farmers and stakeholders gathered to hear from expert speakers, including Dr. Nigel Brown, Andrew Scott, and Jessira Saunders, who each delivered insightful presentations on managing biosecurity risks, weed control, and industry standards for livestock assurance.

Ellie Keyte from Local Land Services (LLS) in Inverell and local landholder Anthony Rosser gave an informative talk about the success of the two recent aerial shoots held in the Ben Lomond area - over 1200 feral pigs eradicated and nearly 500 deer as a result of these initiatives.

The interactive panel discussion and stalls from local businesses added further depth to the day's focus on practical,

Local farmers and stakeholders gathered to hear from expert speakers,

actionable biosecurity strategies.

A big thank you to our sponsors Nutrien Guyra, Ben Lomond Landcare Group, Grazag, Guyra Rural Services and Armidale Regional Council without whom the day wouldn't have been possible.

Thank you to our information stallholders who attended on the day - Guyra Rural Services ,

Ag360.com.au, Integrity Systems, New England Weeds Authority, Rural Adversity Mental Health Program, Northern Tablelands Local Land Services, AgSkilled, and Farm Gate Support Program.

"It is always fantastic to have you along to talk to attendees about your different programs supporting our landholders," a

spokeperson for the Landcare Network said.

"The positive feedback and enthusiastic participation underscore the importance of these community events in fostering knowledge-sharing and collaboration.

"Thank you to everyone who attended and contributed to this valuable day!"

New parking app launched at Armidale Airport

A new car parking app will replace older ticketed machines at Armidale Regional Airport. The new EasyPark app, which will be trialled for 12 months, allows users to pay for parking without the need for cash or physical payment at machines. Payments can be made via linked credit or debit cards.

The new app has the ability to start and stop parking sessions as needed, ensuring that users only pay for the actual time they have parked, potentially saving money and reducing overpayment issues.

Armidale Regional Council Mayor Sam Coupland said that they listened to the feedback from the public about the current parking system and that the new app should streamline the parking process at the airport.

With its robust technology platform, EasyPark has demonstrated significant

efficiency in over 4000 cities globally. The system requires minimal infrastructure, with the company providing and maintaining all necessary signage at no additional cost to the Council.

EasyPark includes functionality to help users identify available parking spots.

The app also sends reminders when the parking session is about to expire. This is helpful if passengers' flights have been delayed or cancelled. Users can extend parking time directly from their phone - especially handy when running late returning to your vehicle.

Free parking for up to two hours continues to be available at the airport.

For more information and instructions on how to download the app visit the website www.easypark.com.au

Remembrance Day is Monday, 11th November

The Guyra RSL sub-Branch will hold a brief Remembrance Day service at the Soldiers Memorial Hall in Bradley Street, commencing at 10.45am on Monday, 11th November.

Members of the community are invited to attend as a show of respect for all our servicemen and women who served in all conflicts. Each year on this day, Australians observe one minute's silence at 11.00am in memory of those who died or suffered in all wars and armed conflicts.

The First World War ended more than a century ago. At 5am on 11 November 1918 in a railway carriage in France, representatives of France, Britain and Germany all signed a document that would put an end to four years of conflict. Six hours later - at 11am - those signatures would bring into effect the Armistice that ended World

War I.

The 11th hour of the 11th day of the 11th month attained a special significance in the post-war years. The moment when hostilities ceased on the Western Front became universally associated with the remembrance of those who had died in the war.

Red poppies were among the first plants to spring up in the devastated battlefields of northern France and Belgium after the conflict ended. For this reason, the red poppy is worn on Remembrance Day in memory of those who served and made the ultimate sacrifice.

Everyone is asked to stop what they are doing at 11am on Remembrance Day and observe a moment's silence in memory of those who served and paid the supreme sacrifice in conflicts around the world..

St Marys join New England Sings!

On Sunday 27th of October St Mary's students, Kirby Nugent, Lexi Cochrane, Lewis Robinson, Darcie Campbell, Charlotte

Bavea and Principal Zoe Nugent performed at the mass Choral event New England Sings. This performance brought to-

gether over 900 students from across the New England region, accompanied by an 80-piece orchestra. These five students have

been working hard towards this event for nearly seven months and it was such a great performance to watch on Sunday.

NAIDOC Week Celebrations

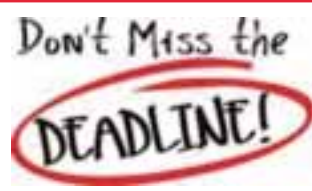

Last week Black Mountain Public School held a range of activities to celebrate NAIDOC Week. This year's theme was 'Keep the fire burning! Blak, Loud and Proud'.

The whole school participated in story writing using Kamilaroi language. Parents and guests watched a variety of songs and music presented by the

3-6 Class orchestral group followed by a dance performance by the Kukra Yulugi dancers.

A barbeque lunch was prepared and served by our Year 6 leaders, staff and parents followed by the cutting of our beautifully decorated NAIDOC cake which was enjoyed by all.

Bessie Birkett (nee Wesley)

Born in Guyra on May 29th, 1931 – Passed away peacefully after a short illness in Newcastle on October 4th, 2024.

Our family wishes to express gratitude to all those who have sent cards, flowers, and comforting messages during this time.

Bessie was deeply involved with Kids for Cancer and the Pink Ladies at Belmont Hospital, where she was honoured with awards for her outstanding service.

She spent her childhood in Backwater and Guyra before moving to Sydney. For the latter part of her life, Bessie called Swansea home, where she and her husband Les raised her two daughters.

In her later years, at the age of 93, Bessie resided at a retirement unit in Caves Beach, where she formed meaningful friendships with her fellow residents, who were all very dear to her.

Rest in peace, beloved sister.

Midweek Golf

Welcome to our first two weeks of Midweek. Certainly was a mixed bag and the weather didn't help early in the first week but this week couldn't be better. We have done a big shakeup with the handicaps and will probably do it again next week. Trying to give the new players a reasonable chance.

Week 1. The young boys, Busted Balls, this week top scored on 83 points with Sultans of Swing next in line on 75 points. Well Done

Individual score went to Sam Reeves on 26 with Dan Lennon, Tom Ward, Bailey Wilson all on 22 points.

Week 2. Full House top scored with 86 points this week. Quite a few teams were close to this score.

Individual score of 23 shared by Deb Heffernan, Roger Cox, Wayne Archibald, Les Heffernan, Sheree Clark and Jenni Jackson. Well done

Six teams had all their group play and this gets you extra points. Great to see the new players out and about.

We had a couple of players who paid but didn't hand in their cards. Please put them in the box so we can sort it out for this week's scores.

A few things to remember:

* Hit off the yellow tees

* Put your name and team name on your card

* Get someone to sign your card. Good luck to everyone.

Ladies' Golf

Last week was the Guyra Vets Tournament which a few of our ladies played in. Well done to all who played and the winners.

Kerry Bull and Suzanne Towells won the ladies 4BBB on the first day. Debbie Heffernan won the Day 2 trophy. Kerry Bull won the Ladies 36-hole Single Stableford trophy.

This week is a Stroke and Putting competition.

Next week the ladies will be on their annual golf trip which always promises to be a fun few days.

Cricket

Round two of the Armidale District Cricket Competition saw both Guyra senior teams in action.

In second grade Guyra took on Easts (Green) in Guyra. Easts won the toss and sent Guyra out to bat first.

It was a shaky start with Guyra being 4 for 9 at one stage, before they were able to put a few runs on the board Kyle Mongta (26), Tahmani Landsborough (14) and Heath Dowsett (17) managed to claw back some ground for Guyra who finished their innings with 86 runs off 23.4 overs.

Easts found the going much easier and finished the day at 3/90 in the 15th over. Tom Chard (1/23), and Heath Dowsett (1/16) took wickets.

In other second grade games Walcha/Uralla 7/192 defeated Easts (Yellow) 7/105 and City/UNE 10.140 defeated Hillgrove 10/111.

In third grade Guyra won the toss and elected to bat. Only opener Craig Lockyer (29) managed double figures, with Tom Lockyer (8) next best. Guyra were short a few players and finished with 7/64 off 23 overs. Simon Brown (1/9) was Guyra's wicket taker.

In reply Walcha/Uralla lost just one wicket in the run chase, getting the win with an innings of 1/66 off 17.5 overs.

The other third grade game was also a low scoring affair with City/Une (4/70) defeating Hillgrove 4/70. TAS had the bye.

In the first round of the junior competition Guyra Under 11s had the bye, so will have to wait another week for their first hit out.

Men's Bowls

Bowls set down for this Saturday the 2nd November at 12 o'clock are in pairs with Colin Stanley and Tim Ellis playing Anthony Bull and Ian Jacobs. The winners will play Dan Kennedy and Barry Walls on Sunday 3rd November at 12 o'clock.

In the pennant playoffs a couple of weeks ago Guyra were beaten by Kootingal 10-0, and although beating Wee Waa 8-2 they were knocked out for 2024.

2025 is only two months away.

Jack.

A big congratulations to the 36 hole tournament winners. For the men this went to Ian Taylor. Congratulations to Ian who is up there with the most consistent golfers in our club and this win proves his capabilities. Congratulations also to Phil Devlin who was pretty stoked to get runner up.

For the ladies the 36 hole tournament congratulations go to

Kerry Bull. Kerry is also a long term consistent golfer in our club and it's great to see her take out this event. The runner up went to one of our many visitors in S Gilchrist.

There were numerous NTP prizes each and every day along with other novelty events and we congratulate all the winners.

Thank you again to our club, this would not have happened without your cooperation and support and we appreciate it very much. Your Bistro was amazing with many favourable comments.

The golf course was prepared to perfection with so many comments of praise for our greenkeepers. The effort put in each and every day was extraordinary. To the organizing committee, you guys are amazing.
