Australia Day awards and recognition

Above l to r: Robyn Jackson, ARC Mayor Sam Coupland, David Pearson, Shelby Heagney, James Warren, Charlie Ward, Terry Rolfe, Justine Eddy, Ros Edward, Wayne Mendes, Mitchel Hope, Mick Jackson, David Bearup, Wal Chapman, Grant Roberts, Brad Farmer (Australia Day Ambassador)

Outstanding community service and achievement was recognised at the 2025 Australia Day Awards dinner held at the Guyra Bowling Club on January 25th.

Wayne Mendes was announced as Guyra’s Citizen of the Year for 2025, for his work with the Guyra Volunteer Rescue Association. He has been an active member of the group since 1986 and has held the position of Deputy Captain and Captain. Wayne’s ongoing mentorship and drive from over

40 years to VRA Rescue NSW has given shape to the organisation’s direction.

Other nominees in this category were Donna Davidson, Mitchell Hope and James Warren.

Armidale Regional Council Mayor Sam Coupland was joined by this year’s Australia Day Ambassador, Brad Farmer who delivered the Australia Day address.

Best known as Australia’s beach ambassador he says to him Australia is just one big beach whether

you live on the coast or in the outback.

“While we have 27 million people in Australia, we have 27 million different stories and interpretations to be told about Australia day,” Mr Farmer said.

“The theme of Australia day is reflect, respect and celebrate. On this day we should respect each other’s opinions, we should reflect on each other’s opinions, but we should also celebrate being Australian.”

Big crowds for Show and Shine

One hundred and twenty cars, trucks and motor bikes were registered for the Guyra Show and Shine on the weekend.

The event is organised by the

Guyra Automotive Club and is now in its 13th year.

The event continues to be one of the biggest attractions, attracting hundreds of car en-

thusiasts to Bradley Street.

The Antique Machinery groups rally and swap meet was also a great attraction, with a wide variety of old engines and

equipment on show.

Many businesses reported increased trade over the whole weekend due to the influx of visitors.

Junior Citizen Charlie Ward (left) and Citizen of the Year Wayne Mendes (right) presented by Australia Day Ambassador Brad Farmer

Guyra's Young Citizen of the Year is Charlie Ward. Charlie volunteers at the Lamb & Potato Festival and has also helped out at the local Pony Club Camp where she helps instructs junior students and assists with night time supervision. She has a long list of sporting achievements and has demonstrated that she is willing to try many things.

Mitchell Hope received this year's Community Service Award. Mitch is the President of both Sen-

ior and Junior Soccer Clubs, is an active member of the Rural Fire Service and committee member of Wards Mistake Progress Association.

He is actively involved in the parent body at St Mary's where he has supported the school in many different areas. Over the years Mitchell has also supported, aided and helped many different groups and committees in the Guyra Community.

The Community event of the Year was the 2024 Christmas Carnival.

Organised in conjunction with Armidale Regional Council it is a great example of how a community group can work together with Council to provide an event for the whole community.

The Guyra Anglers Club was acknowledged for their Contribution to Sport and Recreation in Guyra. They organise fishing events such as the Gone Fishing Day, the John Wilcox Trout Classic and the Youth fishing clinics. The club is hooked on helping out our local and wider

community members to learn all things fishing.

The Sports team of the Year was the Guyra Polocrosse Club who were the 2024 NSW Club Champions. They held a successful Carnival in April and members of the club travelled to many carnival bringing home awards.

Also nominated in this category were the Guyra Veteran Golfers and the Guyra Junior Rigby League's Senior League Tag team.

Community funding on offer from Costa

The annual Costa Well Grown Community Grants Program for the Armidale and Guyra region is now open for applications.

The Well Grown Community Grants program provides funding support for not-for-profit community organisations, sporting associations and schools.

In 2025 Costa will be awarding five grants up to a total of \$4000 each, with one grant to be awarded in each of the following category areas:

- Sporting event/activity which promotes and supports healthy active lifestyles.

- Community event which is aimed at supporting cultural diversity and/or creating

strong community connections.

- School project/initiative which enhances education or educational opportunities, particularly in the areas of healthy eating; or nutrition; or sustainability.

- Environmental initiative/activity which promotes the enhancement of our environment

- Community organisation project aimed at supporting disadvantaged youth and/or Indigenous youth projects.

Brett Ryan, State Manager Vertical Farming, said Costa was looking forward to continuing support for local community organisations.

“Over the past two years

since we started our grants program we have provided funding for a wide range of organisations including school kitchen garden program, local events and sporting clubs, which all in turn provide wonderful support and services for our community,” Mr Ryan said.

Organisations seeking to apply for funding will need to complete our Expression of Interest form and submit it online by 5pm Friday, February 7.

Information and links to the Expression of Interest are available at Costa's website or email kylie.l.taylor@costagroup.com.au

Who cooks the lamb?

A huge shout out to Anne & Geoff Thrift for their incredible dedication to the annual Lamb and Potato Festival!

Over the course of 12 days, they have cooked up a storm of 240 pieces of lamb, demonstrating the true spirit of community by volunteering their time year after year.

The behind-the-scenes efforts like theirs often go unnoticed, but they are essential in making this event a success.

Also, a special mention to young 8 year old Nathan Lane (pictured), who is in his third year learning the ropes of cooking lamb, spending 5-6 hours a day honing his skills.

Their hard work, generosity, and passion are what make this festival and this community so special!

Sportsperson of the Year went to Michael Jackson. Michael represented Australia in Veterans hockey at an international level in the Netherlands, winning bronze. He was also a silver medallist at the NSW State Championships, Pan Pac Games, and was a member of the winning team in the Inverell Hockey competition. In golf, he was the Guyra B Grade Champion and Guyra Open winner.

Also nominated in this category was Ashleigh Richardson and Ella Vidler.

Environmental Citizen/Group of the Year was taken out by Bald Blair Public School for their commitment to educating students around sustainable living. Highly enthused and motivated students participated in all aspects of gardening, including using garden tools safely, weeding, mulching, planting and many other activities.

The Art Drama and Music award went to the Guyra Combined Churches Choir led by Terry Rolfe. The group's musical repertoire and presentations are a pleasurable experience shared with the community each year, presenting a professional look and performance of Christmas carols at various venues.

Also nominated in this category was Black Mountain Public School.

Opinion - Barnaby Joyce MP

going to look after his people first and the nation which binds them together. It appears that the politics of the United Nations has lost all sway in the new administration of the United States.

How does this change affect Australia? Massively, from both direct effects and the global rewriting of the rule book which the largest economy in the world can do. Aus-

tralia is the surfer but the US and China are the waves. You may wish the wave was different but the wave is what it is and if you are blind to the wave you get dumped.

As our election comes up in the first half of this year it is the economy of the Pacific which will manifestly determine our destiny. Europe's gravitational pull on Australia is vastly less than in times past, even the recent past. Likewise, the politics of Europe is vastly less relevant to both our security and economic future than the politics and policy of the US and China. This is further exemplified by the crucial relationships we additionally have with Japan, India, Indonesia and our near islands neighbours.

In Australian politics there will be, I believe, some recent recollections of what happened in the US

at our coming election. There is an appeal apparent for politics that focuses on core domestic needs of Australians rather than the politics on issues of a global or peripheral variety.

If the Teals believe that they will win votes locally in a cost of living crisis by being the champions of global issues, then my radar says that they won't be smashed but they will be surprisingly disappointed in how the mood has changed. My father had a saying that remains with me, "as poverty walks in the door love flies out the window". You can have all sorts of wonderful feelings about marvellous things, but if you can't pay for power, food and your rent those marvellous feelings will be little solace in your destitution.

Curtis Park Playground expansion to commence

Work to expand and upgrade Curtis Park Playground in Armidale will commence next month.

Permanent fencing is being installed around the perimeter of the park, enclosing the area which will be under construction.

“The existing adventure playground in Curtis Park opened in 2020, quickly becoming a much-loved place for families,” Armidale Regional Councillor Mayor Sam Coupland said.

“Playground and other park users responded enthusiastically when council presented the possibility of growing the facility and sought ideas.”

Community feedback suggested that the area should be fully fenced to create a large safe area, and that adding more and alternative play equipment would ensure all age ranges and abilities could enjoy the space.

At its Ordinary Council Meeting on 23 October 2024, the Council accepted amendments to concept plans for Curtis Park Playground Expansion and Upgrade based on community feedback received during public exhibition in August.

The endorsed plan will enclose an area of 1.6 acres, extending from the northern end of the car park at the Visitor

Information Centre across to Faulkner Street, joining into the existing playground fences.

“I’m excited that work is set to commence,” said Mayor Coupland.

“The expanded facility will provide a fenced safe zone, feature natural play elements that supplement existing play experiences, and will link to the creeklands and surrounds - including with footpath connections and through elements that tell the story of the place.”

Access to the existing playground will be maintained throughout the works, however care is to be taken as there will be some work

within the existing playground which will be fenced off temporarily.

The expanded playground, informed by the community and designed by Myrtle Studio Design is expected to be complete by 30 June 2025, weather permitting.

Tenders for the construction are currently being reviewed, and the contractor will be announced soon.

For project details and updates, check council’s works and projects page:

Vets Golf

Vets golf last week was the monthly 4BBB EVENT. Col Walls and Phil Devlin were a lethal combination scoring 48 points to come in the winners. It was a sea sawing match all day against their markers Jon Cumming and Wal Chapman, with the score changing regularly and with 46 points they were the runners up. NTPs went to Neil Paine on the 7th

and on the 18th Jon Cumming. Next week is the Reg Taylor stroke event. **Drake.**

Ladies' Golf

Last week the Ladies played a Stableford. The winner on a countback was Vicki Reeves with 33 points. Runner up was Debbie Heffernan.

Nearest the pin winners were, Jenny Rogers on the 9th hole. Wendy George on the 10th hole.

Kerry Bull on the 18th hole.

This week is a Stroke and Putting Competition. Next week is Stableford along with the 1st Graham Betts Round.

Sunday Golf

This weekend is a 4bbb Stableford and is also the final weekend for the Quarter Finals of the Matchplay to be completed.

Next month is a very busy one for the Mens Golf with the Champ[ionships] only weeks away from starting and the question is who can match Mighty Mick Purvis in the A Grade.

Their will be plenty chasing the title but will anyone be consistent enough to put in a serious challenge.

We hope to have some new players also joining in to make our comp extra competitive so hope to see you on the course.

Guyra seconds take the trophy in T20 competition

Guyra's second grade cricket side has come away as champions in the Armidale District Cricket T20 competition.

It followed a defeat in the final round of games played on January 25th. Guyra were up against Easts Green who made 7/103 and then dismissed Guyra for just 39 runs.

The side were in better form the following day and had a good win against Easts Yellow in the final which was played on Australia Day.

After winning the toss Guyra, with a formidable bowling attack, decided to use this weapon by sending their opponents in to bat.

The bowlers didn't disappoint, bowling Easts out in 20th over for a modest 85. Great spells from Corey Torrens (3-17), Brendan Landsborough (3-20), Heath

Dowsett (3-10) and Tahmani Landsborough (1-20) who were the pick of bowlers.

Chasing this small total proved tricky at times and at one stage Guyra were 3 for 29, before man of match Kyle Mongta started to get on top of attack. He rounded the total up with consecutive 6s and to finish 47 not out.

Kyle's fifth wicket partnership with Les Perrett proved the difference with some great game management shown by both.

Guyra edged ahead in the 18th over to finish with 4/85 and the win.

In other grades, Hillgrove 0/29 defeated City UNE 10/28 in a low scoring first grade clash and Hillgrove 1/75 defeated Walch/Uralla 10/73 in third grade.
